

## **Sport Premium**

For 2013-2014 and 2014-2015 the government is providing Sport Premium funding to every state primary school in England. A lump sum for each school, with a per-pupil top-up is awarded for these two years. The funding objectives place great emphasis on improving the teaching and coaching for all children in Primary School education and therefore inspiring the Olympic and Paralympic stars of the future. This impact on the quality of teaching is also supposed to be sustainable for future generations. In addition to quality of teaching and learning, the Sport Premium funding can be used to encourage participation in a variety of after school clubs, intra school competitions or to provide opportunities for children to experience a new sport.

The impact of Pupil Premium spending can, if wisely used, benefit all pupils.

Schools are required to publish information about their use of the Pupil Premium on their website. Please do ask our Head Teacher, Deputy Head Teacher, Assistant Head Teacher or Sports Leader (Mr. Brennan) if you would like any further details.

## **2014/2015**

<b>Overview of our school 2014/2015 Autumn Term</b>	
Total number of pupils on roll	534
Amount of funding received per pupil	£19

Amount of funding spent on specialist coaches teaching curriculum PE lessons (with teachers support) and extra-curricular sports clubs.	£3600 (Autumn term)
Amount of funding available for Spring and Summer term 2015 <b>Focus: To use Sport Premium funding to maximise the limited space available for whole year groups to participate in active Physical Education lessons.</b>	£6480

## **What does Bishop Aldhelm's Primary School want to achieve from the two years of Sports Premium funding?**

We aim to make sure that our school implements the sport premium funding in order to gain high quality coaching, P.E. CPD (continued professional development) for staff and leave a legacy of sporting participation, competition and enjoyment when the current funding ends. It is important that our school continues to work together with other agencies, such as PEDSSA (Poole and East Dorset School Sport Association) and School Games Organisers to make sure the P.E. provision provided is of high quality for all the young people in our school community.

## **Nature of support 2013/2014**

### **Sport Premium Funding Outcomes**

- To increase participation in sport and exercise opportunities within the school.
- To provide high quality coaches for all year groups across the school over the two year funding period.
- To provide high quality CPD for all staff who teach P.E. with a focus on understanding key fundamental movements and differentiation of tasks in lessons.
- To ensure that an emphasis is placed on the fundamental movement skills at both KS1 and KS2.
- To ensure that core skill areas such as, net and wall, gymnastics, dance and team games are progressed through high quality coaching and team teaching between the coach, teachers, higher level teaching assistants and teaching assistants.
- To ensure that the pupils at Bishop Aldhelm's Primary School receive the very best opportunities that this new funding can bring.
- Assessment of learning and implementing ICT in P.E. Lessons

## **Impact 2014 Autumn Term**

- Teachers teaching good lessons with coaches supporting next steps and differentiated activities.
- Setting high expectations in every aspect of the teaching and learning of this subject.
- Planning and differentiation developed from last year's team teaching.
- Using ICT-I pads to shoot clips of differentiated activities, warm up, fundamental movement skills, speed, agility, quickness tasks.
- Distribution of resources
- All children active and participating in lessons.
- Increased participation in after school clubs.

Further details about the outcomes of those children in receipt of the Sport Premium compared with other groups can be obtained through booking an appointment with the Sports Leader.
