

We are partnering with the Christian Mission School located in Juba, South Sudan to provide 2 children from the local community with the opportunity to attend school. With our support these children can receive an education to hopefully improve their outcomes in life.

Juba is located in the country of South Sudan. South Sudan is located in the continent of Africa.

Do you know what 'continent' means? Can you locate Africa on the map?

This is a classroom block in a Juba school. Africa can be a very hot country.

March is usually the hottest month in

Juba. It can reach 37 degrees. July is

nis is a lesson in Juba. What is on the wall behind the Teacher?

This is a classroom in a U.K. primary school Does yours have tables and chairs like these? Do you have nice pictures on the walls?

This is a lesson in the U.K. Does this look the same as a lesson in Juba?

Where are Juba and Maridi?

Juba is 20 square miles and is the capital Of South

Sudan

Poole, in the UK is 25 square miles

Juba has an estimated population of 526,000

Poole has a population of 514,000

Juba is situated on the White Nile.

Poole has it's own harbour, with River Frome, Piddle, Sherford and Corfe flowing into it.

It is 3,702 miles from Poole to Juba
