

Dear Parents,

Unfortunately it is with great sadness the Tecnico Coaching football after school clubs on Tuesday for year 2 pupils and Wednesday for year 4 pupils has had to be cancelled after the school has received new guidance regarding the current situation of Covid-19.

Craig (football coach) spoke to the Head teacher who has been so supportive in trying to keep the children active after school and welcomed us back in to continue with the football but unfortunately after they had this discussion the rules have now changed again for schools and they cannot provide after school clubs with outside providers coming into the school.

We do understand how disappointed the pupils will be with us having to cancel the sessions again but I would like you to explain to them that everyone has to follow guidelines and the rules are set from higher up and if we were able to do the sessions we certainly would do as we know they enjoy their football immensely each week.

We are in real unprecedented times at the moment and no one could have predicted we would be back in Lockdown 7 months on with all football being cancelled and it is such a shame that it has had a massive impact on the pupils.

As soon as the school gets the green light to allow us back in to continue with the football on a Tuesday and Wednesday you will be notified as soon as possible.

We would like to thank you for your understanding and support in this and hope you will all stay safe and hopefully we come out of this lockdown on 3rd December.

We will keep you informed as soon as things change and football can re-start again.

Kind regards

Barbara

Tecnico Coaching
