Dear Parents/Carers,

Every year the Inclusion Team hold a number of presentations which are always very well attended and have gained many positive responses. As a result of the positive feedback, we will continue these presentations this year, although they will be held virtually.

This term's presentations will be based on 'Emotions and Mental Health' which is particularly prevalent now and we think this may help to support our school community. Therefore we would like to invite you to the 'Emotions and Mental Health' presentation on Wednesday 11th November 2020.

This term's event will be an informal, relaxed opportunity to meet and chat with other parents and the inclusion team virtually. During the event the Inclusion Team will also talk about specific strategies that are used in the classroom and can be used at home.

So that we have an indication of numbers please return the reply slip and indicate which presentation you will be attending. Alternatively, please email senteam@bishopaldhelms.poole.sch.uk to indicate which presentation you would like to join. We will then email you the link a week before the Inclusion Day. Please can I also take this opportunity to remind you that should you ever have any questions do not hesitate to contact us via the school office or the SEN Team email.

Best Wishes,

Lizzie Sharpe and Lucy Strickland
