Year 1 Block 4 Planning

Below is some learning to complete over the next two weeks while you are at home. Each day there are four lessons to complete, some reading and some exercise. We would like you to join us for an online register every day at 8:55am and 1:30pm where we will go through briefly what the day will involve, see how you are getting on with the activities and a time when you can see your teacher and friends.

We will also be holding live Drop Ins on a Monday, Thursday and Friday at 11:30am-12. This is an optional session where you log on through Google Classroom to ask us a question about the work or share learning.

These are the things that will make up your school day while you are at home-

- An English lesson
- A maths lesson
- A geography lesson
- A music lesson
- A phonics session- uploaded to Google Classroom
- Contact with your teachers via phone call or email during the week. Our year group email is year1@bishopalhelms.poole.sch.uk
- A Stormbreak video found on the website www.stormbreak.org.uk. You can set up your own account and earn badges for each Stormbreak that you do.
- A Worship- uploaded to Google Classroom

Below are your lessons for each day – you can search using instructions in the coloured boxes or just click on the blue link for each lesson.

You can upload your home learning to Google Classroom or email it through to the year group email for us to check.

Sometimes the video might ask you to pause and do the quiz. Don't worry if you can't do this. The most important thing is to watch the video.

Speak to you soon,

Year 1 Team
