

The **Creature Teachers** will be visiting Year 1 at Bishop Aldhelm's on **Friday 19<sup>th</sup> May 2023**. We will be bringing along creepy crawlies, scaly reptiles, furry animals and birds for the children to get hands on with, and up close to.

If your child has an **animal related allergy**, or **serious animal phobia**, please let their teacher know, so we can be notified and take steps to prevent your child coming into contact with any animal of concern.

Please visit [www.thecreatureteachers.co.uk](http://www.thecreatureteachers.co.uk) to see the creature team!
