

Our School Values	
Love	We show love by valuing others and ourselves so that we can become healthy and fulfilled individuals with a sense of purpose.
Unity	We show unity by having an understanding of what it is to live in a democratic society and how to maintain healthy relationships.
Courage	We show courage by responding to challenges with confidence so that we are building resilience through hope and aspirations.
Inspiration	We show inspiration by being active citizens within our community through making informed decisions and contributing to the lives of others.

## Online Safety Year 1

### NC Objective

use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

Key Vocabulary	
Word	Definition
Kind	To be helpful and friendly
Considerate	To be thoughtful of other people's feelings and what they need.
Password	a secret word or phrase that allows one to enter a place, or get information that is given only to those who use the password.
Protect	To keep something safe
Technology	Helps to solve problems or invent new tools
Designed	To plan something in detail

### Knowledge I already know

#### Self-image & Identity:

I know that I can say 'no' / 'please stop' / 'I'll tell' / 'I'll ask' to somebody who asks me to do something that makes me feel sad, upset or embarrassed.

#### Online Relationships:

I can recognise some ways in which the internet can be used to communicate

#### Managing online information

I know how to use the internet as a way of finding information online.

I can identify devices I can use to access information online.

#### Health, wellbeing, lifestyle:

See below I can identify rules that help keep us safe and healthy in and beyond the home when using technology.

### Knowledge I will learn

#### Self-image & Identity:

If something happens online which makes me feel sad, worried, uncomfortable or frightened, I can give examples of when and how to speak to an adult I can trust and how they can help.

#### Online Relationships:

I know why it is important to be considerate and kind to people online and to respect their choices.

I know what kind and considerate means.

#### Online reputation:

I know that I should not share my personal information online.

#### Online bullying: I know what online bullying means.

Managing online information: I know and understand that we can encounter a range of things online including things we like and don't like as well as things which are real / not real or a joke.

#### Health, wellbeing, lifestyle:

I can explain rules to keep myself safe when using technology both in and beyond the home.

Copyright & ownership: I know that the work I create using technology belongs to me.

Privacy & Security: I know that passwords are used to protect information, accounts and devices.

I know more detailed examples of information that is personal to someone (e.g. address)
