Dear Parent/Carer,

Subject: Climate Action Plan Survey – Your Input Needed

Following our recent letter regarding the school's Climate Action Plan, we kindly ask you to complete a short survey using the link below within the next seven days.

Your response is vital in shaping the plan and reducing our environmental impact. If you have more than one child attending the school, please complete a survey for each, unless they travel together. If their mode of transport varies by day, select the most common method.

If a question does not apply to your situation, please leave it blank rather than selecting an option that does not accurately reflect your circumstances. This ensures we collect meaningful and reliable data for the Climate Action Plan.

The survey takes just a few minutes. If you encounter any issues, try using Microsoft Edge instead of Google Chrome.

Thank you for supporting our efforts to prepare pupils for a sustainable future.

PLEASE NOTE THIS SURVEY IS BEING MANAGED BY A THIRD PARTY SO ANY ISSUES REPORTED WILL BE PASSED ON FOR A FIX.
