Dear Parent/Carer,

3 Wales Parents Consultation

You may have noticed that the information about Parents Consultations was not on the newsletter. Having been notified that Miss Russell will not be returning to school until Monday 14th June at the earliest we have had to make a final amendment to the parent consultation dates.

Mrs Aylward had been teaching the class for three weeks and has quickly got to know how their learning is developing. She has kindly agreed to complete the video consultations along with Mrs Harris. Due to her working hours we have had to make a change to **one** of the days which has already been booked by some parents.

Those parents with appointments for **Monday 17th May will be transferred to Thursday 20th May at the same time.** Those parents with an appointment on Wednesday 19th May will remain at the same date and time.

We appreciate this may cause inconvenience. Please accept our apologies for this and should the time or day no longer be convenient please contact the school office and we will accommodate the change to the best of our ability.

You will shortly receive an email with the live link to allow you to attend the video conference at the allotted time.

Yours sincerely,

Miss Louise Whitby
Headteacher
