Dear Parent/Carer,

HOT LUNCHES COMING 12th October 2020

We are pleased we have been able to work with Hertfordshire Catering Ltd to offer a hot menu from the 12th October.

Lunches are quite different to how they were run previously. We have noticed there are benefits to the new system, such as: less waiting for the lunch and no queuing, more time to eat if they need it (up to 30 minutes), eating with their friends, eating in a quiet and less busy environment.

We will continue to serve lunches in the same way but there will now be two "hot" options each day. This is perfect timing as the colder weather is on its way. These will be prepared in a "hot box" and brought through to your child's classroom as they are now used to. The menu will offer either a hot meat (red) or vegetarian (green) option as well as a jacket potato option with either beans or cheese (white). The children will still have the option of a cold packaged lunch (yellow).

Please take a look at the attached menu if your child likes to know in advance what to choose. This can speed up the morning register when they select their option. If your child is wishing to continue to have a home packed lunch that is also fine.

The price of a meal is £2.70 per day and may be paid using the School Gateway. This can be paid for weekly, in advance, or daily if preferred. We do not accept cash payments.

Yours Sincerely,

Miss Louise Whitby
Headteacher
