Dear Parents and Carers of Year 3 and Year 5

Mad Science Workshop for Year 3 & Year 5 - Thursday 12th March

As part of our Science Week celebrations, we are delighted to inform you that we will be welcoming **Mad Science** into school to deliver exciting, hands-on science workshops for Year 3 and Year 5 on Thursday 12th March.

Year 3 pupils will take part in an engaging workshop linked to their current science unit on Light. Through practical investigations and interactive demonstrations, children will explore how light behaves in a fun and memorable way, helping to deepen their understanding of the topic being covered in class.

Year 5 pupils will enjoy an enrichment workshop linked to their learning on States of Matter. This session will include experiments using dry ice to demonstrate changes of state.

All activities will be delivered by trained professionals and carried out in a safe, controlled environment, with appropriate safety measures in place at all times.

If you have any questions about the workshop, please do not hesitate to contact the school.

There is no cost to parents/carers for this workshop.

Many Thanks
Year 3 Team & Year 5 Team
