Dear Parent/Carer,

Meet the Teacher – Monday 18th September 2023

There is an opportunity for parents and carers to come into their child's class to meet the teacher where they can introduce themselves and communicate the relevant learning for their child's class.

If you have multiple siblings across the school, we would like you to begin with your youngest child for the introduction. For older siblings we then recommend you visit your second or third child's teacher at 9:20 and beyond where they will be happy to greet you and ask any questions.

For those of you unable to attend (or those of you with multiple siblings) your child's class teacher will do their best to answer any questions following the event.

Please send your child into class at the normal time of 8:50-9:00 and we ask that you wait outside the classroom while the teacher registers the children and takes them into assembly. The classroom door will then be opened from 9:10 to welcome and sign you in.

Once your child has been registered, they will attend the usual Monday morning assembly so your attention will be less divided. (Please make sure your child knows this is not an opportunity to spend time with you in their class – this opportunity is given later in the year at regular intervals).

The main gates will be open from 9:30 – 9:45 where we would ask families to leave promptly to allow us to make sure the site is secure as quickly as possible for safeguarding reasons.

Yours sincerely,

Miss Louise Whitby
Headteacher
