

PRIVACY NOTICE FOR GOVERNORS

The General Data Protection Regulations (GDPR) is an European Union data protection law which comes into effect on 25th May 2018.

Personal information relating to school governors which is supplied to the governing body of Giles Junior School is used for the purpose of safeguarding and for communication between school governors and staff. It is held for the duration of the individual's period of governance.

Personal information is held by the clerk to the governing body, the school office and by Hertfordshire County Council governance team. It may be stored as paper data or electronically.
