

PRIVACY NOTICE FOR STAFF

The General Data Protection Regulations (GDPR) is an European Union data protection law which comes into effect on 25th May 2018.

Personal information relating to Giles Junior school staff is used for the purpose of recruitment, safeguarding and for communication between staff, parents, pupils and governors.

This personal information is held in the school office and by Hertfordshire County Council Human Resources team. It may be stored as paper data or electronically. Personal contact details may be held by the headteacher and other members of staff to facilitate effective communication in the execution of their work.
