Snow Procedure

We will always try to keep the school open when possible. In cases where we do have to close we will keep parents informed in the following ways:

- **By text message via parentmail**
- **School website - via the twitter feed**
- **The Hertfordshire school closure website (details below)**

Signing up to the new Hertfordshire School Closure Notification System

Schools in Hertfordshire have signed up to a fast new way of letting parents and carers know when bad weather or any sort of public emergency means that the school is closed. To log on and register please click on the link:

<https://member.everbridge.net/index/892807736725489#/login>

Look for the 'sign up' button in the top right corner of the page on the grey strip and from there follow the brief instructions. You can edit your information at any time should you change your mobile number or email address. Each contact can have 2 mobile numbers/email addresses added, so either parents or a family relative can be registered to receive any messages relating to our school's closure.

If you have more than one child at different schools in Hertfordshire, you can register once for more than one school in a single registration process.

Yours Sincerely,

Miss Whitby
Headteacher
