Dear Parents and Carers of Year 3

Stone Age Activity Day - Thursday 12th February

We are pleased to inform you that Year 3 will be taking part in a Stone Age Activity Day on Thursday 12th February as part of our history topic. This will be held at school and run by the teachers, so it is for no additional cost.

Throughout the day, the children will be involved in a range of activities designed to bring their learning about the Stone Age to life. These activities will help them develop a deeper understanding of how people lived during this period and will support the work we will be doing in class.

To make the day even more enjoyable, **children may come to school dressed in a Stone Age-themed costume if they wish.** This is completely optional, and children are welcome to wear their normal school uniform if they prefer. Please ensure that any costumes are comfortable and suitable for a full school day, and that children wear appropriate footwear.

Please note that if time allows, we might watch "Early Man" which is a PG recommended for 5+ and families. Since the film is not considered a U, we need to make you aware that the description reads that it might contain mild rude humour, some slapstick violence (like a puppet decapitation), and very mild language.

Thank you for your continued support. If you have any questions, please do not hesitate to contact the school.

Many Thanks
Year 3 Team
