## Year 5 – Group Podcast

Dear Parent / Carer

Our Year 5 pupils have been working incredibly hard this term to create their very first **group podcast episodes**. Each group has planned, recorded and edited a short discussion on a topic they chose together, developing teamwork, communication and digital media skills.

With your permission, we would like to upload these group episodes to our official school podcast channel, **Giles Junior School Podcast**, hosted on Spotify. Sharing the episodes online allows families to enjoy the children's work and gives pupils the valuable experience of publishing for a real audience. Only the children's **voices** will be shared. No surnames, photos or other identifying personal information will be included.

**If you are happy for your child to take part and have their podcast uploaded please complete permission through the Arbor app ASAP!**

Open the Arbor app and in the trips section click on Year 5 Podcast and please consent to permission for this by the 1<sup>st</sup> June.

If you have any queries please speak to your class teacher or the school office.

Yours sincerely,

Miss Louise Whitby  
Headteacher
