Friday, 02 October 2020

Dear Parent/Carer,

Friday 9th October 2020 - Young Minds #HelloYellow

Giles Junior will be raising awareness about the importance when looking after our mental health and wellbeing. We intend to do this by encouraging pupils to attend school wearing as much "yellow" as they can. We are fortunate that some children have a head start as many children wear a yellow Giles Junior t-shirt! On this day we hope that children will find as many yellow clothing items (which are appropriate to wear at school) as possible.

As previously mentioned, the motivation is to raise awareness of this charity and what it stands for. However, we have set up a JustGiving page if you wish to volunteer a donation. Please click on this link below which will be live from 9th October for one week.

<https://www.justgiving.com/fundraising/head-whitby1?newPage=True>

I think we are all very aware that the impact of children not being at school has had on their mental health. We believe anything we can do to support a charity which supports young people to have healthy minds despite events happening which might be out of their control.

We look forward to seeing the children in their yellow clothing to support YoungMinds.

Yours Sincerely,

Miss Louise Whitby
Headteacher
