## Parents' acceptable internet use agreement

As the parent or legal guardian of the pupil(s) named below, I grant permission for the school to give my child access to:

- The internet at school
- The school's chosen email system
- The schools online managed learning environment
- IT facilities and equipment at the school.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school takes every reasonable precaution to keep the pupils safe and to prevent pupils from accessing inappropriate materials.

I understand that the school can, if necessary check my child's computer files and the internet sites they visit at the school and there are concerns about my child's online safety or online behaviour they will contact me.

### Use of digital images, photography and video:

- I understand the school has a clear policy on "The use of digital images and video" and I support this.
- I understand that the school will necessarily use photographs of my child or include them in video material to support learning activities. I accept that the school may use photographs/video that includes my child in publicity that reasonably promotes the work of the school and for no other purpose.
- I will not take and then share online, photographs of other children (or staff) at the school events without permission.

### Social networking and media sites:

- I understand that the school has a clear policy on "The use of Social networking and Media sites" and I support this.
- I understand that the school takes any inappropriate behaviour seriously and will respond to observed or reported inappropriate or unsafe behaviour.
- I will support the school by promoting safe use of the internet and digital technology at home.
- I will inform the school if I have any concerns.
