

Weekly Newsletter - Friday 1st November

Welcome to our new weekly newsletter. Here you will find news about all the exciting things that have happened this week.

Halloween / Bonfire Night

Are you getting spooked for Halloween?
Excited to learn more about Guy Fawkes
and Bonfire Night?
See overleaf for local events that you could
go along to this year!

KS2 Workshops

KS2 enjoyed a conductive Music Workshop.
They were so fascinated to learn that a
banana, jelly sweets and water could make
music! Here are some pictures of year 4
experimenting with the makey-makey to
compose their own pieces of music.

KPMG Volunteer Readers

This week Year 2 have had their first visit
from our lovely KPMG volunteers who will be
coming in every Thursday to support
children with developing their confidence
in reading!

Thanks so much to them for giving up time
from their busy schedules – the children
really enjoyed having them.

Year 6 Science

Year 6 learnt
about the
circulatory system
this week. We
acted it out
being
oxygenated red

blood cells who travelled from the heart
and lungs to the bodies organs, where we
transferred the oxygen through the
capillaries. We then travelled back to the
heart as de-
oxygenated red
blood cells
to gather more
oxygen from the
lungs. It was a lot
of fun!

Awesome Autumn Book Challenge

This week you will receive a
letter with the details of the
Autumn Term Book
Challenge. Cross off as
many boxes as you can!!
