Swimming and water safety

Meeting the swimming and water safety national curriculum requirements	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	82%
What percentage of Year 6 pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	71%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	82%
Has the PE and sport premium been used to provide top-up swimming and water safety lessons for pupils that do not meet national curriculum requirements?	Yes
If you answered yes to the above question, use this space to provide further details: £3000 of our Sports Premium was used to hire a pool on site. This enabled all children from Reception to Year 6 to swim daily, under the guidance of a qualified instructor. Additional sessions were given to our Year 6 pupils who were unlikely to reach the national curriculum requirements.	

Targeted areas of spending

Has funding been prioritised to provide or improve sport opportunities for any of the following groups of pupils?	
Pupils with SEND and long-term medical conditions	Yes
Girls	Yes
Disadvantaged pupils	Yes

If you answered yes to any of the above, use this space to provide further details:

We encourage all pupils to actively engage in a range of sporting pupils, irrespective of their academic ability or gender. We provide a 'Golden Ticket' which enables all children to participate in a club of their choice free of charge. Our Sports Premium allocation is also used to provide external coaches for extra-curricular activities.

Purchased a Motor Skills Scheme for SEND pupils who require a specialised physical development programme

Additional opportunities have been provided for girls through our Games Mark award.

Achieving sustainable outcomes

Ensuring spending of the PE and sport premium is sustainable and benefits pupils in the future.

A range of sporting clubs have now been established and are timetabled throughout the year.

Having a swimming pool on site for all pupils to access has shown that this has been really beneficial in developing water confidence for our younger pupils. Having the pool on site reduces the need to pay transport costs and money can be used to provide additional PE resources etc.

PE lead is pro-active in establishing areas for further improvement and is keen to sustain Platinum Games Award standard.
