Review of Marking

If you wish for your marks to be reviewed, you can request a Review of Marking. You must do this before **12 noon on 24th September 2026**.

A review of marking is a check that the agreed mark scheme has been applied correctly and is free from errors. The paper is reviewed, and reasonable marks will not be changed. Reviewers will not re-mark the script. The deadline for completion of a Review of Marking is 20 calendar days from the exam board receiving your request.

It is important to remember that your results can go up or down.

Clerical Re-Check

A clerical re-check of a marked paper will make sure that all the pages were marked, all marks were counted, and the result matches the marks on the paper. You must do this before **12 noon on 24th September 2026**. The deadline for completion is 10 calendar days of receiving the request.

It is important to remember that your results can go up or down.

If the grade increases after using the Review of Results Service, the exam board fees will be refunded.
