Headteacher's Message

Dear all,

As we approach the end of a busy and rewarding term, I would like to thank you for your continued support and partnership with our school. The festive season always provides a wonderful opportunity to pause, reflect, and celebrate the many achievements of our students.

Last evening's performance of *Matilda* was truly a high part of the year to date. The talent, confidence, and commitment shown by our students was remarkable, and they should be immensely proud of what they achieved. The production was brought to life not only by the performers on stage, but also by the dedication of our staff who worked tirelessly behind the scenes to make the show such a success. It was a joy to see the school hall filled with such a strong sense of community and celebration.

This newsletter highlights just some of the many learning experiences and activities that have taken place across the school in recent weeks. As always, our children continue to impress us with their enthusiasm, creativity, and resilience.

Please encourage your children to read over the holidays - fiction, non-fiction, on screen, on paper - it doesn't matter. As Roald Dahl says:

" So Matilda's strong young mind continued to grow, nurtured by the voices of all those authors who had sent their books out into the world like ships on the sea. These books gave Matilda a hopeful and comforting message: You are not alone."

I would like to take this opportunity to wish you and your families a peaceful and joyful Christmas. We look forward to welcoming everyone back in the New Year, refreshed and ready for the exciting term ahead.

Kind Regards

Anita Spires - Headteacher

Supporting our students

Every Day Matters

As children move through secondary school, regular attendance becomes more important than ever. Each lesson, builds on the one before it, and being in school every day helps students stay confident, connected and on track with their learning.

Secondary school is about more than academic success. It's where young people develop independence, friendship and important life skills, such as responsibility and resilience. Attending school regularly helps students feel part of the school community and supported by their teachers and peers.

We understand that teenagers face many pressures and there will be times when illness or unavoidable circumstances arise. When this happens, we appreciate open communication, so we can continue to support students in the best possible way.

By working together and encouraging good attendance, we can help our young people make the most of their secondary school experience and prepare them for the future with confidence.

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

Please also remember that **late to school** also counts as an absence for that morning session and will add to each child's days of absence for that term.

In addition, **holidays in term time** will **not** be authorised and any time taken will be recorded as unauthorised on your child's attendance record and count towards their days of absence.

If you are unsure if your child should be in school, please contact the attendance team for advice - attendance@beechwood.slough.sch.uk

RESPECT • EXCELLENCE • KINDNESS

A reminder: If your child is too unwell to be in school, please ensure you report your child's absence every day of the absence period, by calling the **attendance line on 01756 787293** and leaving a message, **text to 07786 201170** or email **attendance@beechwood.slough.sch.uk**.

Please note that an appointment does not necessarily require a full day off school. Your child must attend school, before and after an appointment, if it is during the middle of the school day. We encourage appointments to be made at the very start or very end of the school day, to minimise disruption.

Please encourage your child to be at school on time. Punctuality matters and students should be ready for roll call at 08:40am. Registration closes at 9am and a child arriving after this time, without medical proof, will receive an unauthorised mark for the morning session. Attendance is also important for each lesson throughout the day and all students should attend their lessons on time.

Thank you for your continued support.

We are a Nut Free School

As you know, nut allergies can be extremely serious and even life-threatening. To prioritise the health and safety of all students, we maintain a nut-free policy at our school.

We kindly ask all parents to ensure that any snacks or lunchbox items brought to school, including those for school trips or sporting events, do not contain nuts. This includes products like peanut butter sandwiches or snacks and sweets containing nuts.

If you choose to use chocolate spread in sandwiches, please double-check the label to confirm it is nut-free. For example, Nutella contains nuts, but other brands may not.

We also ask that parents remind children who purchase snacks on their way to school to choose nut-free options. It's important they understand why this is crucial for everyone's safety.

Each year, between 7% and 14% of children with peanut allergies experience accidental exposure. Many of these exposures can trigger anaphylaxis—a severe and potentially fatal allergic reaction.

Witnessing an anaphylactic reaction can be distressing for everyone, and we want to do everything possible to protect our school community. *Thank you for your continued support and understanding.*

Supporting Your Child's Health and Well-Being at School

At our school, our goal is to support all children, ensuring they can remain in school whenever possible, and to work closely with parents and carers to address any medical needs your child may have. If you have concerns about your child's health or feel they may need additional support, please contact our Medical Lead Coordinator, Mr. Bill Pretty, for assistance.

For students who require pain relief or prescribed medication during the school day, we kindly ask that you visit the school to complete a medication administration consent form. All medications should be handed directly to Mr. Pretty. Please note that students should not carry any medication with them or share medicines (including something as simple as paracetamol) with other students.

We appreciate your support in discussing this policy with your child to help us keep everyone safe.

Developing a Love for Language

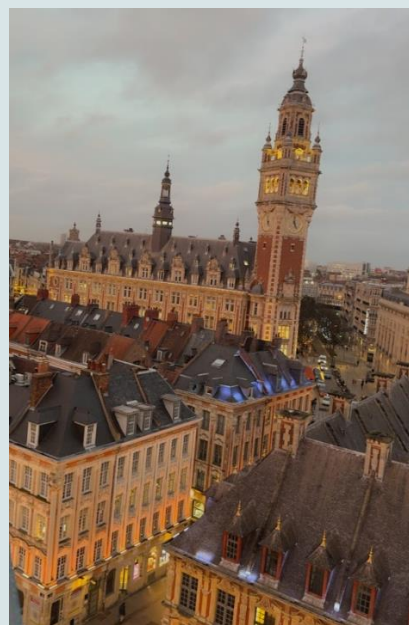

A Day Trip to Lille Christmas Market

A lucky group of GCSE Foreign Language students got to enjoy a day trip to Lille, France. The trip was a fantastic opportunity for them to immerse themselves in French culture, practise their language skills and enjoy the festive atmosphere.

It was a long, but very enjoyable day for all.

A special thankyou to Head of Modern Foreign Languages – Mrs Audi-Jana, for organising the trip and to Assistant Headteacher – Mrs I Dimmock and Language Teacher – Mrs Touati for accompanying the students to ensure everyone's safety.

Narin said 'The French trip was truly an astonishing experience! The day was filled with many exciting attractions, such as visiting: the Lille Christmas Market, the Grand Place, the Euralille Westfield, etc. The Lille Christmas Market was overflowing with luminous lights and each stall had something unique to offer, whether it was the delicious food or the beautiful accessories! The Grand Place was surrounded by alluring architecture and a huge ferris wheel, where you could see the entirety of Lille. Then, we visited the Euralille shopping centre, where we had the opportunity to walk around and explore different shops with friends. Throughout the trip, we all practised speaking French with the locals, which really helped improve our confidence and vocabulary in speaking another language. Overall, I'm deeply grateful to receive this opportunity! Thank you'.

Celebrating Creativity

A Christmas Poem By Patricia Kijek

THE HEART OF CHRISTMAS

The lights are bright, the bells all ring,
The carols rise, the choirs sing,
But deeper still, beneath the cheer,
A holy truth draws ever near.

For Christmas shines not just in gold,
Nor in the stories we retold,
It lives within a manger's grace,
Where God took on a child's face.

The gifts we wrap, the fires we light,
Reflect His love, so pure, so bright.
For every joy, each song, each feast,
Begins and ends with Christ, our peace.

So let the laughter fill the air,
But whisper thanks in every prayer,
For Christmas lives beyond the tree,
It blooms in hearts where Jesus be.

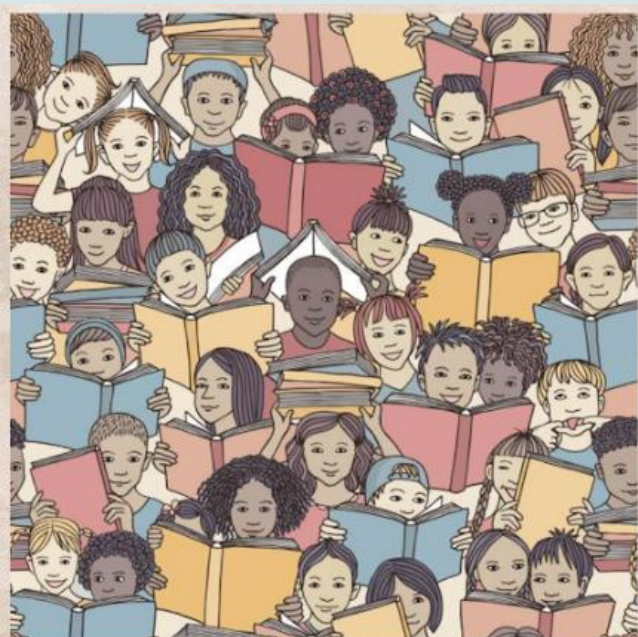

Global Literature Exploration Club

At the Global Literature Exploration Club, you'll learn to write poems and prose, get them published in an e-magazine, and perform your work at an open mic event for the school community!

If you're interested in joining the Exploration Club next term, get in contact with Mr Cabraal and you just might discover a new love of writing and have your work published.

The club runs every Monday from 3.15pm to 4pm in Room G7.

Everyone welcome!

ARE YOU READY TO EXPLORE THE VIBRANT WORLD OF LITERATURE?

Join the Global Literature Exploration Club at Beechwood School this Spring! Discover diverse poetry and short prose, enhance your reading and writing skills, and engage in creative discussions. From writing workshops to open mic sessions, immerse yourself in global perspectives while building a vibrant literary community.

Embracing Opportunities and Celebrating Success

Celebrating Student Success – Rayan Ali

We are delighted to share that Rayan Ali has been awarded second place in the Thames Valley Learning Partnership Design an Elephant competition. His artwork was highly praised, and as a result, Rayan has been invited to join the TVLP Design Team to help paint the official elephant sculpture for the upcoming Trunks Across the Thames public art trail.

The finished elephant will form part of a large community exhibition across the Thames Valley in 2026.

We are extremely proud of Rayan's talent and creativity. Well done!

Top Readers for December 2026

Please congratulate our Top Readers this month, who have all been awarded a Certificate of Achievement - Mohammad Fazli, Charley Harratt, Ayla Ali, Gowtham Rasamall and Kaidy Kennedy. *Keep up the great work!*

One of our Student Librarians – Harmeet – created this amazing poster for display in our ALC, which informs the reader why reading is so important. It also shows Harmeet's reading recommendations. Why not give some of them a try over the Christmas holidays?

We also have to say Well Done to Mishaal, Ayla and Patricia, who also created fantastic posters, which can be seen in our ALC.

What's on the ALC?

Don't forget the ALC is open from Breakfast Club from 7.30 to 8.20am every morning – everyone is welcome. It's a great opportunity to grab some free breakfast and make new friends.

During morning breaktime and lunchtime there are crafts and clubs to get involved with – there are boardgames, mindful colouring and Lego. Why not pop along and try something new?

Homework Support Club is also run in the ALC each day, starting after afternoon registration at 3.10pm and running until 4pm.

WHY READING IS IMPORTANT

Reading Is Important Because:

Reading is important because it provides a wide range of personal and academic benefits, from improving cognitive function and mental well-being to enhancing communication skills and broadening our understanding of the world. It is a foundational skill for lifelong learning and success.

Reading is important because it enhances cognitive skills like memory, concentration, and critical thinking, while also improving knowledge and vocabulary. It can also reduce stress and promote emotional and social well-being by developing empathy, improving mood, and strengthening relationships.

Recommended Books:

To provide an exceptional educational experience for all where potential is nurtured and responsible citizens created.

THE ALC IS FOR EVERYONE...

The Advanced Learning Centre (ALC) is open to everyone and is the perfect place to try a new club, or enjoy some crafts and games during morning break and lunchtime.

Breakfast Club is open to all students. There is no need to book

Slough Youth Awards 2025

A huge well done to our Beechwood students who were nominated for the Slough Youth Awards 2025. It was an incredible evening, filled with inspiring performances, singing, and orchestra, celebrating the hard work and dedication of young people across our community.

Although our students did not win their category, we were genuinely proud to see them on stage among so many remarkable young people who are striving to make a positive difference. Their nomination alone is a fantastic achievement and a testament to their commitment and character.

Tendai Chigwaza and Cindy Dankyi. were nominated for the 'Being Active Ambassadors Award'

Also, Jalon Mensah who represents Beechwood in Slough Youth Parliament.

To provide an exceptional educational experience for all where potential is nurtured and responsible citizens created.

TVLP Spelling Bee Future Champion

We are incredibly proud of **Sehjpreet**, who recently represented our school at the **TVLP Spelling Bee Competition**, competing against students from seven other schools.

After impressing judges with his accuracy, confidence and linguistic skill, Sehjpreet made it all the way to the **final**; a fantastic achievement in itself! Although he did not take home the top prize on this occasion, his resilience, determination and positivity shone throughout the competition. Reaching the final at such a high level is a huge success and something he should be extremely proud of.

Sehjpreet is a wonderful ambassador for our school and for languages, and he has truly inspired both staff and students alike.

Well done, Sehjpreet – we are so proud of you!

WHAT IS BULLYING?

Anti-Bullying Alliance's Definition:

The **repetitive, intentional hurting** of one person or group by another person or group, where the relationship involves an **imbalance of power**. Bullying can be physical, verbal or psychological.

It can happen face to face or online.

To mark anti-bullying week, raise awareness and encourage dialogue between staff and students, we ran 2 activities:

On Friday 14th November it was Odd Socks day. Students (and staff!) wore odd socks to celebrate our differences and raise awareness to stop bullying.

A simple, but really effective message to everyone that we embrace differences and will always stand up to bullies.

A competition was also launched with students being able to earn achievement points and chocolate!

Students were encouraged to talk about their understanding of STOP.

What is Bullying?

SEVERAL **I**MES **O**N **P**URPOSE

How do we stop it>?

START **I**ELLING **O**THER **P**EOPLE

We encourage parents and carers to talk to their children about bullying. If you or your child needs support, please reach out to your child's Director of Studies.

To provide an exceptional educational experience for all where potential is nurtured and responsible citizens created.

SEGRO YEAR 9 GRAND FINAL

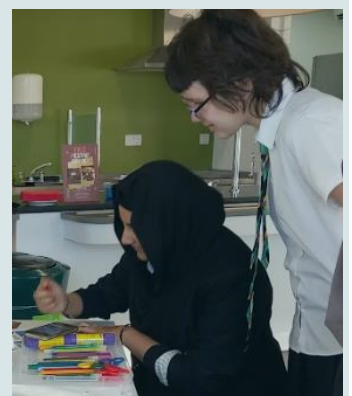

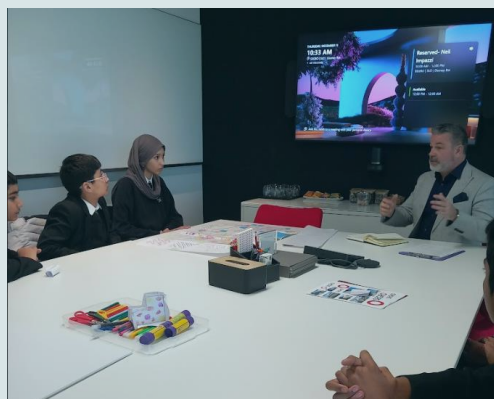

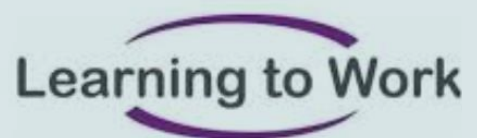

We are incredibly proud of the following Year 9 students, who reached the SEGRO Year 9 School Challenge 2025 Grand Final:

Jessica Kenny : Maroua Khaldi : Ayesha Imran : Aayan Khan : Ajer Fayaz : Venson Fernandes

The Grand Final took place at SEGRO's Headquarters, Slough, on Thursday 11th December.

The student brief meant that they had to come up with an idea for a launch event for the development on the site of the former 02 Headquarters. It was a real challenge and involved a lot of work beforehand, as well as fine-tuning their presentation skills on the day.

Although our group didn't win on this occasion, they all worked incredibly hard, represented Beechwood extremely well and should be incredibly proud of their accomplishments.

Celebrating Academic Success and our Core Values

AN EVENING OF CELEBRATION

On the evening of Thursday 20th November, parents and carers joined their children for our annual Prize Giving Evening. This year, we were honoured to welcome the Worshipful the Mayor of Slough, Councillor Siobhan Dauti, along with Ivor Peters, the Urban Rajah, who addressed our students and presented the awards.

Students were recognised for academic excellence across all subjects in Key Stages 3 and 4, alongside additional awards celebrating those who consistently uphold our core values of Respect, Excellence and Kindness. Competition for all awards was exceptionally strong, and only the most outstanding nominees were selected, making this recognition a significant achievement of which recipients should be extremely proud. Each student received a certificate and a book token, while recipients of the prestigious Headteacher's Award in both Key Stage 3 and Key Stage 4 were also presented with a trophy.

Rewarding Academic Excellence and Respect, Excellence and Kindness

Rewarding Academic Excellence and Respect, Excellence and Kindness

During the evening, guests were treated to a peek preview of a couple of scenes and songs from this year's **Matilda the Musical** production. In addition we also heard from our Poet Laureate, Patricia Kijek, who recited her brilliant and inspirational poem 'The Beechwood Way'.

The Beechwood Way

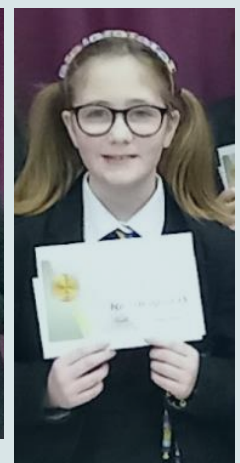

In Beechwood's halls, where dreams take flight,
We learn to lead with hearts and light.
Each voice, each mind, a spark, a flame -
Together we rise, with purpose and name.

Respect begins in how we care,
In listening deeply, being fair.
It's found in teamwork, truth, and grace,
In giving others their rightful space.
It means we honour what is right,
Stand firm in challenge, calm in fight.
Respect is strength that softly grows -
In how we treat the world we know.

Excellence is striving high,
To reach beyond, to aim, to try.
It's courage when the road feels long,
It's learning that mistakes make strong.
It's found in effort, heart, and thought,
In lessons lived and battles fought.
For excellence is not just skill -
It's passion, purpose, mind, and will.

Kindness weaves through all we do,
A quiet force, sincere and true.
It shines in smiles that light the day,
In helping hands along the way.
It's seeing others' hopes and fears,
It's gentle strength that calms and cheers.
Kindness builds the bonds we share,
A simple act, a lasting care.

So here we stand, proud and free,
Becoming who we're meant to be.
With Respect, Excellence, Kindness as our guide,
Beechwood's spirit will never hide.
For every dream begins today -
And grows with heart, the Beechwood way.

DEVELOPING A LOVE FOR LEARNING

Urban Rajah comes to Beechwood

We've been lucky enough to have the Urban Rajah work with a number of our students, teaching them how to prepare healthy, cost-efficient meals and 'Fake-Aways'. Students have really embraced the opportunity and thoroughly enjoyed creating some fantastic food. We may even have some budding chefs in the school!

Well done to our latest cohort: Megan Owen, Zaina Syed, Mekyalla Dos Santos, Zainab Kasim and Rayan Ali.

What will you be reading this Christmas?

Please encourage your child to read this Christmas Holiday. There is something for everyone in our school library, or if you're looking to buy a gift for Christmas, why not give a book?

The ALC provide recommended reading lists, so if your child isn't sure what to read next, why not encourage them to pop into our ALC and see one of our Student Librarians or our ALC Manager – Miss Jonska.

In the words of Dr. Seuss "***The more that you read, the more things you will know. The more that you learn, the more places you'll go***"

GEMS – Supporting Families Living with Autism

GEMS serves families who live in or whose GP is based in East Berkshire (Slough, Windsor, Maidenhead, Bracknell). Whether you're early in exploration, awaiting assessment, or seeking strategies for everyday life post diagnosis, we welcome you. **Our service is for Parents and Carers.**

We have just launched a one off workshop focusing on Autistic Burnout and we have also released a new date for our Barriers to School workshop. Please see details below;

Autistic Burnout

Hosted by The Autism Group:

This workshop explores what autistic burnout is, how it differs from general stress or exhaustion, and why it happens. Families will learn to recognise early signs of burnout in children and young people, understand the impact of masking and overwhelm, and explore ways to support recovery through rest, regulation, and realistic expectations.
