BEECHWOOD EXCHANGE

We are excited to offer a new service to support families with their school uniform needs, The Uniform Swap Shop, this initiative allows parents and carers to exchange gently used items, helping ensure that every student has the right fit without the additional cost.

If your child has outgrown their blazer or other uniform items and they are in a good and wearable condition, why not bring them in and swap them for a size that suits, if we have the right size available, it's an easy, no-cost exchange.

Additionally, if you have any school uniform items in good condition that you no longer need, we would greatly appreciate your donation, this will be offered to other families who may benefit.
