200 CLUB

What Is It?

The 200 Club is a monthly draw. From the money collected each month, around half is paid out in prizes and the remainder is used by the PTA to fund projects which benefit students. The number of prizes varies depending on how many numbers are sold; first prize is **£50** followed by various others down to £10 as the smallest.

How Does It Work?

Once you join you are allocated a number (or numbers) which stays allocated to you for as long as you participate. Each number costs £1 per month and there is no limit to how many numbers you can purchase. Payment can be made by:

- Standing Order (preferred) or
- A cheque or cash paid annually in advance

Who Can Join?

Anyone... it's a great way for you, family and friends to support students remotely and in return have a chance of winning some cash!

How Can I Join?

It's easy. Complete a Standing Order form, given to all new Year 7 parents and available at PTA events or on the school website. Either hand your completed form in at an event or at Reception marked **for the attention of the CSPTA Treasurer**. If you set up a standing order directly with your bank, please email a copy of the completed form to cspta.200club@cryptschool.org or we will not know who it is for, how many numbers you want and where to post any prizes.

NB: If you are a UK Taxpayer, please tick the "Gift Aid" box to allow us to claim gift aid on your donation raising an extra 25% at no extra cost to you!

What Happens Then?

We'll confirm your application has been accepted and advise you of your number/s. If you win, we will write to you enclosing a cheque and results are recorded in the monthly PTA meeting minutes.

Good luck and thanks for supporting us!
