Introduction

It is the responsibility of the head of centre to ensure that The Crypt School has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that The Crypt School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units (This requirement also extends to centre staff conducting internally assessed or externally assessed Speaking, Listening or Oracy components/units)

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how The Crypt School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declaration of interest from all teaching, support and invigilation staff to identify and manage any potential conflicts of interest

Declaration process

An electronic declaration of interest is sent to all teaching and support staff in Term 1 of the academic year. Completed forms should be returned to the exams office by the end of term 1 and responses are reviewed and followed up as necessary.

Exams staff complete a separate formduring Term 1.

Managing conflicts of interest

For internal recording purposes, a conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process.

The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.

Additional information:

The head of centre is informed of any conflicts of interest notified to awarding bodies.
