QUORUM - For full meetings of the Governing Body 50% (rounded up to a whole number) of the complete membership of the governing body; this includes any governor vacancies. Three members form a quorum (to be present throughout the meeting) for all committees.

ATTENDANCE - If a Governor does not attend meetings of the Governing Body for a period of 6 months he/she ceases to be a Governor. Six months is calculated from the time of the first meeting missed. When an apology for absence is received the governing body must decide whether consent is given to the governor's absence. The decision must be minuted and sent to the governor concerned. It is not sufficient just to record the apology.
