

Guides for Students

Below are some guides and useful contact details for various organisations.

There are resources available for your wellbeing, your mental health and your safety.

Self-help mental health apps

There are plenty of excellent apps that can help with managing your emotional wellbeing and mental health – here are some suggestions to get you started. Although these apps can be useful, they are not a replacement for seeking professional advice or support. If you have concerns about any symptoms you are experiencing see the sections on confidential national helplines and local services below.

Local services

Across East Berkshire a range of organisations offer support and treatment for children and young people experiencing mental health difficulties. During the coronavirus (COVID-19) crisis, our providers are doing everything they can to keep services running while also keeping everyone safe. You can still get help if you need it, even though some services may be delivered differently, for example by phone or video link.

Berkshire Healthcare Children and Adolescent Mental Health Services (CAMHS)

[click here](#)

CAMHS provide support for children and young people whose difficulties are very distressing and who are registered with a GP in East Berkshire. You can be referred to CAMHS by your parents, teacher, social worker or GP. If you are over the age of 16, you can refer yourself.

For all new referrals, please complete the [online referral](#) form for our Children, Young People and Families (CYPF) HealthHub.

If you want to talk to someone about whether CAMHS is the right service to help, or if you are having extreme mental health difficulties and need support urgently, call the team on 0300 365 1234.

If you are already receiving treatment from CAMHS, someone from the relevant team will let you know if your treatment needs to continue in a different form at the moment, for example by phone or video link.

If you are waiting to hear about your first appointment and things are getting worse or you are worried that you haven't heard, please phone 0300 365 1234.

Youth counselling services - Counselling is about sharing your thoughts and feelings with a trained counsellor in a safe and confidential setting.
