A telephone answering service operates throughout the day. Please indicate to the operator if a call is urgent so that the matter can be properly allocated/escalated as required.

The emergency number for contacting the school when the switchboard is unavailable is 07852 336724. **This is the mobile number for the school site team and should only be used in emergencies.** Out of hours urgent emails can also be sent to outofhours@kingsdale.southwark.sch.uk

Please note that we aim to respond to all non-urgent communications within a 48-hour window. If your query is urgent, please indicate this in the Subject Line so that the matter can be escalated.

For most communications, we advise that multiple addresses are not included to avoid any confusion regarding a timely response. If you are unsure who to direct a query to after reviewing this document, please call the Office Manager on 0208 655 9752 for clarification.

We would also like to take this opportunity to remind parents that we take the working conditions and well-being of our staff seriously. We would therefore request that all communications from parents are considered, measured and appropriately phrased. Please refer to Section 7, Page 12 of our Concerns & Complaints Policy (available [here](#)) which provides further information on our approach to dealing with Serial, Vexatious or Persistent complainants.
