

Curriculum PRINCIPLES

01

Breadth & Balance

Provide a broad, rich education that values both academic and creative subjects.

02

Challenge & Aspiration

Set high expectations for all learners, encouraging ambition and excellence.

03

Personalisation & Inclusion

Adapt pathways and support to meet individual needs, ensuring equity and access for every student.

04

Lifelong Learning & Character

Foster independence, curiosity, reflection, and respect to prepare students for life beyond school.

05

Enrichment & Opportunity

Extend learning through extracurriculars, cultural experiences, and global perspectives.
