RE: Go4Schools Online Access for Parents

Dear Parent(s)/Guardian(s)/Carer(s),

I am writing to provide you with details on how you can access our online parent portal attainment and attendance information, for your child. This system is called *Go4Schools* and allows parents 'real-time' online access to the following information at any time:

- **Attainment Information** – Marks and target grades for all subjects throughout the year
- **Achievement and Behaviour Information** – Rewards and sanctions, including detentions, issued to your child
- **Timetable** – Your child's daily and weekly timetable
- **Provisional Attendance** – Shown from the start of the academic year
- **Progress Reports** – Full Reports published once per year and Short Reports, published up to 5 times per year

Your child's data is constantly updated, providing you with the latest information.

To access the site, please go to www.go4schools.com and click on the Parents icon at the top of the main page to arrive at the log-in screen. The email address you use to enter the site must be the one that the school has registered for you in our database. If you have changed your email, or wish to provide us with a new email address, please contact us at the school via attendanceoffice@kingsdale.southwark.sch.uk stating clearly your child's name, year group, tutor group and date of birth. You will then receive an email notification of a change of contact details. Please be advised that the system can register up to two emails per child for access to allow multiple parent/carer access if applicable. You can also use the email address above to report any technical issues.

To Log into Go4Schools for the **first time**, you will require the email registered with us and a password. To request a password for GO4Schools, please enter your email address into the First-time User field and click 'Please send me a password' (*please see screen image below*). A randomised password will then be generated and sent to your email address. You will then be able to log into the site and view your child's page. You will need to do this for each email address linked to the child.

When you have successfully logged in, you will be able to access a range of information which is described below.

Email Updates

Please be advised that Go4Schools automatically emails parents on their registered address(es) when a change is made to the Achievement and Behaviour section of the site. To view the full information and record, parents will need to log in to the www.go4schools.com site.

Mobile Version

Go4Schools provides a handy app version of their product which is optimized for mobile devices and can be downloaded from the app store for your operating system.

Provisional Attendance Data on Go4School

This information is always shown up to the previous day and is provisional. Please be advised that any unauthorised absence indicated may suggest that a reason has not yet been provided to the school for a recent absence.

Attendance

Short and Full Reports

The progress page shows grades for your child as captured by reports and compares them against current grades.

At the bottom of each report column you can access a report by clicking the 'View report' links.

Where available, you can then also download and print copies of the reports which will be available for the whole of the year.

Progress and reports

Subject	17 Dec 2010	Current
Art & Design	A	A
Biology	A	A
Chemistry	B	B
