

From the Parent of Izaiah Smith

Kingsdale Foundation School,
Alleyn Park, Dulwich,
London, SE21 8SQ

21 April 2025

Dear Kingsdale Students and Parents,

On behalf of the Izaiah's family—Harriet, and all who loved our dear Izaiah—we write to extend our deepest thanks for the extraordinary kindness, support, and generosity you have shown us over these past weeks.

From the youngest student who left a handwritten message at the Lake and our home, to families who sent flowers, shared memories, or simply reached out with a comforting word, your compassion has been a source of tremendous strength. Seeing Izaiah's friends gather at the park and in assemblies to reminisce, and watching students create remembrance items on school property, reminded us how deeply he was loved by his peers.

Special thanks go to:

- **Students across all year groups**, for your handmade cards, poems, and drawings celebrating Izaiah's sense of humour and kindness. Each message brightened our days and reminded us of his joyful spirit in your lives.
- **The Parents of the children and Staff at Kingsdale Foundation School, who shared the GoFundMe link**, your generosity has lifted a heavy burden from our shoulders.
- **To Izaiah's close friend**, for organising the Football Charity remembrance day.

Though no words can fully express our gratitude, please know that your warmth and solidarity have given us comfort beyond measure. In every note, every embrace, and every act of kindness, we have felt Izaiah's memory living on—and we are reminded that he will always be a cherished member of the Kingsdale family.

From the depths of our hearts, thank you for standing beside us, for honouring Izaiah's life, and for showing what it means to be a caring and compassionate community.

With our sincerest appreciation and love,

Harriet Mubiana and Family
