Year 7 Boys' Football Team Win Inner London Cup Final Kingsdale v Fulham School for Boys

Congratulations to the Year 7 Boys' Football team who Beat Fulham School for Boys 5-0 in the Inner London Cup Final at Long Lane JFC last Friday.

Kingsdale was geared up for this final from the kick-off, pressing the Fulham Boys' School all the way into making mistakes, with two great goals from Harrison Abayomi and Tristan Fullerton. It was 2-0 at half-time. In the second half, Kingsdale flew out of the blocks playing really good football on what was already really hot day! This took its toll on the opposing team resulting in another 3 goals from Rico Jones, Kobe Mukoro and Jacob Wright-Van Heeswijk, making it 5-0 to Kingsdale.

This is the first cup final the Year 7 Boys have won at Kingsdale. A massive well done to all the squad throughout their first Football Season 2024-25. We look forward to many more to come!

Using Microsoft 365 to support students with SEND

All students at Kingsdale have access to Microsoft 365 with their school email address and password. If you are not sure how to access this at home or are having any trouble please email askict@kingsdale.southwark.sch.uk.

This is a fantastic tool for students to use to support them. Please see examples with links below to more information and some short videos of all the ways students can use the assistive technology built into Microsoft 365.

The Power of Different

At Kingsdale we are keen to ensure that students with SEND know the positives and opportunities they have as well as the challenges they may face.

Neurodiversity is increasingly becoming recognised as a 'superpower' in work places and as parents and educators we should do our best to encourage the students in our care to recognise this as they look to their futures.

We wanted to share some quotations and statistics from experts that show the positive changes in attitudes and opinions.

'What would happen if the autism gene was eliminated from the gene pool? You would have a bunch of people standing around in a cave, chatting and socializing and not getting anything done'

Dr. Temple Grandin

'Negative words carry negative vibration. Positive words carry positive vibration. What do you want your child to reflect back to you, the label of disordered or the label of gifted in a new way?'

Suzy Miller, Awesomism

Although people with autism look like other people physically, we are in fact very different . . . We are more like travellers from the distant, distant past. And if, by our being here, we could help the people of the world remember what truly matters for the Earth, that might give us quiet pleasure.'

Naoki Higashida, The Reason I Jump

'At the British Dyslexia Association, we often try and get the message to people that true inclusivity is better for everyone. The more the world understands the power of different thinking, the more we design education and work to welcome the full range of neurodiversity, such as dyslexia, the better it is for us all. A better future won't just be built by including people with dyslexia, it will be built by them. From architecture to technology, the creative arts to entrepreneurialism, dyslexic minds are leading the way. Everyone who thinks differently should be given the support they need so their talent can shine. We will all benefit.'

Nick Posford | CEO of the British Dyslexia Association | bdadyslexia.org.uk

'Sometimes it is the people no one can imagine anything of who do the things no one can imagine.'

Alan Turing, creator of the first computer used to break codes during WWII.

What has become increasingly obvious over the past year is that a lot of the old ways of doing things need to adapt to a future where technology will dominate. This opens up lots of opportunities, especially for those who think differently. Recent news has highlighted that forward thinking employers are actively seeking neurodiverse, dyslexic talent, because of the unique skills they can offer.'

Nick Posford | CEO of the British Dyslexia Association | bdadyslexia.org.uk

Neurodiversity in the workplace:

- Hewlett Packard Enterprise conducted a program that showed that the neurodiverse teams are 30% more productive than the others.
- Research from a 2018 Deloitte report found that companies with inclusive cultures were six times more likely to be innovative and agile.
- A report by JPMorgan Chase found that professionals in its Autism at Work initiative made fewer errors and were 90% to 140% more productive than neurotypical employees.
- Organizations that provide mentors to professionals with a disability reported a 16% increase in profitability, 18% in productivity, and 12% in customer loyalty.

Talking to your child about

SHARING IMAGES ONLINE

For children and young people, socialising online is part of normal life. Chatting online and sending messages, photos and videos can be a good way of strengthening friendships. Sometimes, however, they can misjudge boundaries and may not realise the impact of their actions.

They can also be manipulated or pressured by others into sending inappropriate content, such as nude or semi-nude images. These can be sent for reasons including humour, shock-value, revenge or exploring bodies and relationships. Once images are shared, they can't be retrieved, leaving them vulnerable in many ways.

Having conversations with your child at an early age about what is and isn't ok to create and share can help keep them safe.

What can you do to keep your child safe online?

S

Set clear boundaries.

Agree with your child what they can do online and their access to certain apps/websites.

T

Talk with your child and be supportive.

Listen to what they already know so you can start a conversation about what normal use is.

E

Educate everyone in the family.

Make sure all family members know what isn't appropriate and how to stay safe online.

E

Evolve with the internet.

Keep up to date with technology used by your child and their features such as smartphones, VR headsets etc.

R

Research, review and regulate the apps and websites your child uses. This will allow you to decide whether they should use them and how to keep them safe online.

Prosecutions of children are very rare but there can be legal consequences to sharing nude or semi-nude imagery of a child (photos, cartoons or other picture formats), even if the person doing so is a child. If you think your child has shared an inappropriate image, speak to an advisor at the Child Exploitation and Online Protection Command (CEOP). Details below.

SCHOOL NEWS

Safe Travel to School

At school, we have shared the key messages about keeping safe with the students. Some of the key messages are outlined below:

“LOOK UP LOOK OUT”

- **BE AWARE** of your surroundings.
- **BE AWARE** when using your mobile phone.
- Know your route home.
- Keep to busy roads.
- Try to be with other people.
- If someone tries to stop you keep walking.
- **SHOUT** for help and make **NOISE**.
- If anything happens speak to a trusted adult as soon as you can.
- **RUN HIDE TELL**.
- There is no right or wrong response as each situation is different but remember that **YOUR SAFETY IS PARAMOUNT**. Only **YOU** can assess the risk.
- Possessions are replaceable, but **you are not**.

Your child must contact the Police immediately on 999 if they are concerned about their safety or if they are the victim of a mugging/attempted mugging.

Students and Parents should also inform the school so that we can offer pastoral support and liaise with our Safer Schools Officer – PC Crampton.

Please contact Mr Harding via dhg@kingsdale.southwark.sch.uk with any queries.

Kingsdale is a Safe Space

We would like to take this opportunity to once again remind students and their families of our two confidential emails which are operational both during and outside of school hours.

This provision is available for any member of our school community wishing to seek advice, discuss any matters relating to mental health & well-being or report an incident or concern confidentially via email.

We appreciate that students, parents, carers or guardians may wish to speak to someone outside of school hours or may wish to disclose an incident or concern confidentially or anonymously.

Our two confidential emails are:

health&wellbeing@kingsdale.southwark.sch.uk
tellsomeone@kingsdale.southwark.sch.uk

Please contact **Ms V Turner** for further information regarding this provision or any matters relating to mental health & well-being at Kingsdale School.

The School Shop

A reminder that our School Shop is open during the school day to enable students to purchase a range of useful items that they might need.

This includes stationary and uniform items; all of which can be purchased using their school fob. The School Shop is located in the main Atrium nearest to the green stairs.

Lost Property

We are still receiving a large number of items that have been mislaid or lost by students.

In many cases, these items are unlabeled, making it very hard for them to be quickly and successfully reunited with their owners!

Please can we ask parents to label all items of their children's property at school, including water bottles, blazers and coats.

Lost property queries can be directed to lostproperty@kingsdale.southwark.school.uk

SCHOOL NEWS

KFS Uniform Bank

Our uniform is a key part of our identity and as such we are able to help parents and carers in providing quality uniform items. Sadly, the cost of living is still rising and some families are finding it a challenge to cover all bases in bringing up a family. There is also the negative environmental impact in design and disposal within the clothing industry to consider. Kingsdale community families can acquire cleaned and sanitised pre-worn uniform blazers (Belmont Dry Cleaners in Croxted Road have been most generous with their time and costing in this matter) and other items, dependent on availability, at a much, reduced rate. The Uniform Bank will also be open between 3.45pm and 4.45pm each Monday, Wednesday and Friday.

Please, always check for availability of items prior to making a purchase. This is a rolling programme that continues throughout the entire academic year and as such we are always looking for donations.

Please leave washed and folded clothes at the main Reception area. Items of uniform will be available at other times of the year depending on supply.

If you would like to help in any way please make yourself known to the team.

If you have any queries, do not hesitate to contact: Mr Lewis at jls@kingsdale.southwark.sch.uk
