

Year 7	Autumn (1)	Autumn (2)	Spring (1)	Spring (2)	Summer (1)	Summer (2)
Topic	<u>Algebra</u> Sequences Algebraic Notation <u>Number</u> Four Operations Place value, ordering and rounding	<u>Algebra</u> Expressions and Equations <u>Number</u> Rounding and Estimation Fractions Decimals and Percentages	<u>Statistics</u> Graphing Data <u>Number</u> Directed Number	<u>Geometry and Measures</u> Perimeter and Area <u>Number</u> Fractions and Percentages of Amounts	<u>Number</u> Speed, distance and time Properties of number	<u>Number</u> Add and subtract fractions <u>Geometry and Measures</u> Angles and Polygons
Assessment	<u>End of Topic Tests</u> Sequences Place Value, ordering and rounding	<u>End of Topic Tests</u> Expressions and Equations Rounding and Estimation	<u>End of Topic Tests</u> Graphing Data Directed Number	<u>Exam Week</u> <u>End of Topic Tests</u> Perimeter and Area	<u>End of Topic Tests</u> Speed, distance and time Angles and polygons	<u>End of Topic Tests</u> Add and subtract fractions Angles and Polygons
Link with National Curriculum	AO1: Use and apply standard techniques AO2: Reason, interpret and communicate mathematically AO3: Solve problems within mathematics and in other contexts
