

BLUE

Campervan & Caravan (Blue) Parking Pass

Please display this pass prominently inside your vehicle before arrival at festival, follow colour-coded signs and stewards' instructions.

This pass is only to help parking stewards and does not give you right of entry to the Campervan & Caravan area or the festival. To park in this area you will also need to purchase a Campervan & Caravan parking pass from ticket agents in advance; each person also needs to purchase a ticket to the event. A campervan must have fitted sleeping and fitted cooking or washing facilities —standard vans, horseboxes etc. will be refused entry and sent on to car parks where no sleeping in vehicles is allowed and tickets will not be refunded. You are strongly advised to check the campervan & caravan information area at www.tartanheartfestival.co.uk. Please obey parking stewards and remain in the space they allocate to you. Do not move to another space.

Once your vehicle is parked in the campervan/caravan area, it may not leave. If it does leave, you will not be able to park it back in the campervan/caravan area and you will need to park it in one of the car parks until the end of the event. So please plan for your vehicle to stay at your pitch once it has arrived and bring all you need with you when you first arrive. Tents may not be slept in in the caravan/campervan area. At the request of the Fire & Rescue Service, we will be enforcing the necessity to keep fire breaks between pitches and fire lanes clear

Please:

- Follow colour-coded signs and stewards' instructions
- Note that if you leave after midnight, you will not be able to re-enter until 0800. Campsites for weekend ticket holders open 0800 on the Thursday until 1300 on the Sunday; and for Saturday ticket holders, from 0900 on the Saturday to 1300 on the Sunday
- Act with total consideration for our neighbours — don't enter their properties
- Take as much of your rubbish as possible away with you
- Don't try to take any glass into the festival
- If you are 12 & under or 18 & over, have your original photo ID ready at the gate; stewards will seek ID confirmation from persons claiming to be 12 & under or 18 & over if they are in any doubt
- All under 18s must be accompanied by an adult who is aged 21 and over at the festival and a maximum of 2 per adult
- Look after yourself and have a great time
