

LAWNFLITE

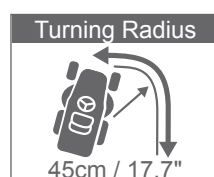

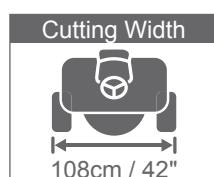

T108SH

Featuring a 42-inch cutting deck, the T108SH makes light work of larger lawns by helping you cover more ground in fewer passes. Despite its wider deck, it remains easy to control and manoeuvre, with a tight 45cm turning radius that makes navigating corners, borders and obstacles feel effortless. Six adjustable cutting heights from 30–90mm also give you the flexibility to tailor the finish to suit your lawn, whether you're maintaining a neat regular cut or tackling longer growth.

The smooth hydrostatic transmission provides intuitive speed control through separate forward and reverse pedals. Simply apply more pressure to increase your speed, or ease off to slow down, giving you effortless control as you mow.

Powered by a dependable Loncin 452cc engine delivering 9.2kW (13hp), this versatile machine offers both side-discharge and mulching options. Side discharge is ideal for tackling longer grass without clogging the deck, while the mulch plug allows you to finely recut clippings and return them to the lawn, helping to promote healthier, greener growth.

Specifications

Power	9.2kW 13hp
Engine	Loncin LC1P92F-1, 452cc, 2400rpm
Battery capacity	DC12V/18Ah
Fuel tank volume	8.5L
Transmission	Hydrostatic
Turning Radius	45cm / 17.7"
Cutting width	108cm / 42"
Cutting height	30 - 90mm 6 positions
Reverse mowing	Yes
Wheel size	15" / 18" (38cm / 46cm)
Function	Side discharge, Mulching
Net weight / Gross weight	202kg (445lbs) / 242kg (533lbs)

Accessories

Arm Rest Kit

Part No: T092FSZJ000
