

Benefiting from a 40-inch direct collection deck, helping you to cover your lawn efficiently, while six adjustable cutting heights from 25–85mm give you the flexibility to achieve the finish that suits your lawn. The Lawnflite Direct Collect™ system sends grass clippings straight into the generous 280-litre collector, helping to leave a clean, tidy result as you mow. Emptying is simple too, with a single lever allowing you to tip the collector without leaving the seat.

Powered by a dependable Loncin 452cc engine delivering 9.2kW (13hp), this tractor offers confident performance for maintaining larger lawns with ease. Designed with comfort and ease of use in mind, the premium seat provides a supportive driving position, while the real-time digital display keeps important information clear and easy to see. The hydrostatic transmission is operated by separate forward and reverse pedals, giving you smooth speed control, press down to go faster, or ease off to slow down.

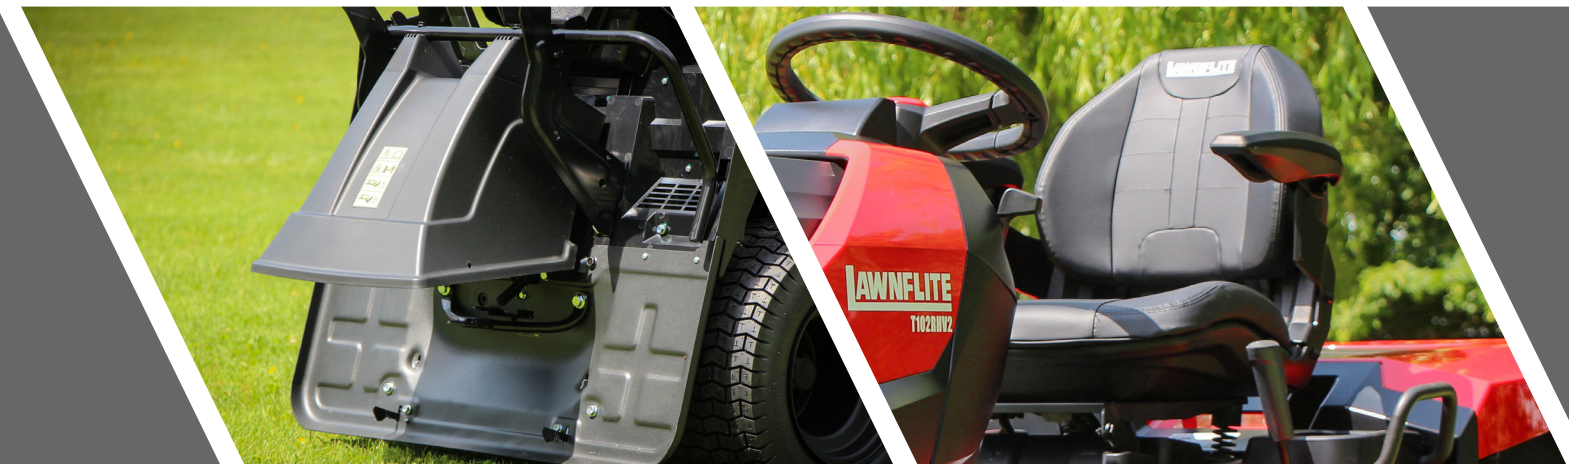

A tight 45cm turning radius makes manoeuvring around trees, borders and other obstacles simple, while the reverse mowing function adds extra convenience. For added flexibility, the included mulch plug lets you return finely cut clippings back into the lawn, helping to feed the grass naturally and encourage healthier growth. An optional deflector is also available for very long grass, giving you another useful option when mowing in more demanding conditions.

Cutting Width	Grass Collector	Turning Radius	Net (Gross) Weight	Cutting Heights	Mow in Reverse
 102cm / 40"	 280 litres	 45cm / 17.7"	 228kg (268kg)	 25 - 85mm (6 positions)	

Specifications

Power	9.2kW 13hp
Engine	Loncin LC1P92F-1, 452cc, 2600rpm
Battery capacity	DC12V/18Ah
Fuel tank volume	8.5L
Transmission	Hydrostatic
Turning Radius	45cm / 17.7"
Cutting width	102cm / 40"
Cutting height	25 - 85mm 6 positions
Grass catcher	280L
Reverse mowing	Yes
Wheel size	15" / 18" (38cm / 46cm)
Function	Mulching, Collecting & Optional Deflector
Net weight / Gross weight	228kg (502lbs) / 268kg (591lbs)
