

Enjoy superior grass collection with the Lawnflite Direct Collect™ system, specially designed to channel cut grass clippings straight into the large 280-litre collection box for a cleaner, tidier finish. Emptying is quick and effortless too, with no need to leave the comfort of the premium seat, simply use the single lever to release and empty the collector with ease.

The 83cm cutting deck offers six adjustable cutting heights from 25–85mm, giving you the flexibility to achieve the finish that suits your lawn. It's not limited to grass collection either; with the included mulch plug, finely cut clippings can be returned to the lawn to help add nutrients and promote healthier, greener growth. For very long grass, an optional deflector is also available, giving you even more versatility when conditions are more demanding.

Powered by a reliable Loncin 432cc engine delivering 8.8kW (12hp), this feature-packed mower offers outstanding value for money. The manual transmission keeps operation simple and dependable, allowing you to easily select from five forward gears and one reverse gear using the hand-operated control.

Specifications
