

A premium seat provides a comfortable, commanding driving position, while the responsive digital display keeps you informed with real-time engine, collector box and safety information. For a cleaner, tidier finish, the Lawnflite Direct Collect™ system channels cut grass clippings straight into the large 280-litre collection box. When it's time to empty, there's no need to leave your seat, simply use the single lever to release and empty the collector with ease.

Powered by a reliable Loncin 432cc engine delivering 8.8kW (12hp), the T84H-L2 offers confident performance with smooth, effortless control. The hydrostatic transmission uses separate forward and reverse pedals, allowing you to increase speed by applying more pressure, or slow down by easing off as you mow.

The 83cm cutting deck offers six adjustable cutting heights from 25–85mm, giving you the flexibility to achieve the finish that suits your lawn. It's not limited to grass collection either; with the included mulch plug, finely cut clippings can be returned to the lawn to help add nutrients and promote healthier, greener growth. For very long grass, an optional deflector is also available, giving you even more versatility when conditions are more demanding.

Specifications

Power	8.8kW 12hp
Engine	Loncin LC1P90F-1, 432cc, 2600rpm
Battery capacity	DC12V/18Ah
Fuel tank volume	8.5L
Transmission	Hydrostatic
Turning Radius	45cm / 17.7"
Cutting width	83cm / 32"
Cutting height	25 - 85mm 6 positions
Grass catcher	280L
Reverse mowing	Yes
Wheel size	15" / 18" (38cm / 46cm)
Function	Mulching, Collecting & Optional Deflector
Net weight / Gross weight	225kg (496lbs) / 265kg (584lbs)
