- 2.5 Service Agreement and Contract of Carriage as two separate legal relationships. You should note that by completion of the Booking You are entering into two separate agreements: (i) the Service Agreement concluded with Us and (ii) the Contract of Carriage for air transportation concluded with the Selected Carrier(s). These two legal relationships are mutually independent, concluded with different persons, (i) You and Us on one hand and (ii) You and Selected Carrier on the other, and as such these relationships are regulated by different rules, terms, conditions and usually are governed by different legal orders. The circumstances under which You may withdraw from and/or amend the Service Agreement are explicitly stated in these Terms & Conditions (regarding withdrawal right please see Art. 9.2 hereof). Please note that the stipulation of provision 2.17 regarding exemption from the right for withdrawal from the contract within 14 days from conclusion in accordance to the applicable EU regulation, applies to the Service Agreement concluded between You and Us. In relation to the potential withdrawal from the Contract of Carriage concluded with the Selected Carrier, the terms & conditions of each of the respective Selected Carrier shall apply. By conclusion of the Service Agreement You express that You are familiar with the terms & conditions of each of the respective Selected Carrier and namely their terms regarding potential withdrawal or termination from the Contract of Carriage, cancellation and change of the Flight(s), and/or any other changes related to the Flight(s).
- 2.6 Storage of the Service Agreements. We store all Service Agreements digitally for Our internal needs. Should You require to see them, please contact Us directly.
- 2.7 Language of the Service Agreement. The Service Agreement is executed in the language selected by You on Our Website throughout the Booking. However please note that only the English version of the herein stated Terms & Conditions is legally binding. Translations have been provided purely for user convenience. In the event of discrepancy between a translation and the English master of the herein stated Terms & Conditions, the English master shall prevail.
- 2.8 Technical Steps to enter into the Service Agreement with Us / Data Correction. Our Website contains an interactive web interface through the use of which the Service Agreement between You and Us is concluded by completing and sending Us the online order form and making online payment in accordance with Art. 1.2.1 hereof. Before sending the online order form, You are able to check, change and correct any data You have entered.
- 2.9 Code of Conduct. Throughout the provision of Our Services, We always comply with all applicable laws and regulations of the Czech Republic and European Union and Our internal principles of customer satisfaction and rules for personal data protection. We choose not to make these internal rules and principles public.
- 2.10 Quoted Prices. The prices quoted on Our Website include the base fare to the Destination, the airport charges, fuel charges, VAT and fee for Our Services. All these components of quoted price are displayed as a single Full Price. However, given the character of Our Services, Our prices cannot include any extra fees charged by the Selected Carrier, or any other third party in connection with the carriage to the Destination. (For more information please see Art. 3.1 hereof).
- 2.11 Territorial Limitations. There are no territorial limitations on the provision of Our Services unless stated otherwise explicitly.
- 2.12 By concluding the Service Agreement, We undertake to perform Our obligations related to the provision of the Services under these Terms & Conditions and You undertake to pay Us the Full Price in accordance with Art. 3.1 hereof. By completing a Booking, You accept Our offer and enter into the Service Agreement with Us.
- 2.13 We reserve the right to change or cancel any Flights that We offer to You if a Selected Carrier's offer changes (especially if the change concerns the features of the Flight tickets You have selected). If, during the provision of Our Services, the conditions of carriage are changed by a Selected Carrier, We will notify You accordingly in a reasonable manner and make every effort to offer You reasonable alternative carriage options and proceed in accordance with the provision of Art. 9.2 hereof.

- 2.14 Immediate Performance of the Service Agreement and 14-Days no Withdrawal Period. Given the character of Our Services, which We will start providing immediately after the conclusion of the Service Agreement with You, i.e. before the expiration of the 14-days withdrawal period according to the EU legislation, You shall not withdraw from the Service Agreement within a 14-day period after its conclusion, or at any time thereafter, even in case You are a citizen of an EU member state to whom this right generally applies. By conclusion of the Service Agreement between You and Us will be considered as Your request for Our immediate provision of Our Services. This provision of Art. 2.17 hereof does not affect the possibility to withdraw from the Service Agreement under the conditions stipulated in Art. 9.2 hereof.
- 2.15 Brokerage of the Contract of Carriage. We are primarily responsible to broker the Contract of Carriage between You and a Selected Carrier. By You making a Booking, You instruct Us to broker a Contract of Carriage between You and a Selected Carrier. The content of any such Contract of Carriage will be determined by Your selection of the Destination and other Flight attributes on Our Website and the Selected Carrier's conditions of carriage. A brokered Contract of Carriage can be applied to carriage of more than one person and/or person(s) other than Yourself; however, the Contract of Carriage is always concluded between You (as the person making the Booking) and the Selected Carrier. The price for the carriage services provided under the Contract of Carriage brokered by Us with the Selected Carrier(s) is included in the Full Price (Art. 3.1 hereof) and does not cover any extra services provided by the Selected Carrier in connection with the carriage to the Destination. Subject to the limitation of Art. 2.13 and 9.2 hereof, We must broker the Contract of Carriage for You without unreasonable delay after Our acceptance payment of the Full Price by You in accordance with Art. 1.2.1 hereof and for this purpose You are entitling Us, in this respect, to act on Your behalf with the Selected Carrier(s); on average We broker Contract(s) of Carriage within 30 minutes unless explicitly stated otherwise. Please note that the Service Agreement between You and Us and the Contract of Carriage between You and the Selected Carrier(s) are two separate agreements.
- 2.16 Power of Attorney. If the Service(s) is only provided to You on the basis of a power of attorney, You, by entering into the Service Agreement with Us, appoint Us as Your attorney-in-fact and grant Us all such powers to represent You in the extent necessary for the provision of all Services by Us. If a written power-of-attorney is required, You must undertake to provide it to Us upon Our request.
- 2.17 Flight Ticket Delivery. We will send You Our e-ticket(s) with the respective PNR for each respective Flight purchased from the Selected Carrier to Your email box at the email address that You entered in the online order form during the Booking on Our Website. It is necessary that You enter Your email address in a correct and unabbreviated form. We are not liable for faulty delivery or non-delivery of e-ticket(s) for a Flight, if caused by circumstances on Your part such as entering an incorrect email address or incorrect email settings. You must notify Us of any changes to Your contact information that may affect Our ability to deliver the ordered Flight e-ticket(s) to You. Please be reminded that We do not deliver Flight e-ticket(s) in paper form; please print out the Flight e-ticket(s), boarding pass(es), visa(s), copy of passport and/or other travel documents required by the Selected Carrier(s) and/or relevant authorities and bring them with You to the airport.

Article 3. Fees, Costs and Charges

- 3.1 Full Price. The Full Price that is displayed on Our Website is the final price for the Flight ticket(s) and it includes the base fare to the Destination, the airport charges, fuel charges, VAT and price of Our Services. However, it does not include other fees, charges or payments for services related to Your carriage under the Contract of Carriage, which are provided by the Selected Carrier(s) and/or third parties, such as Optional Services, tourist taxes, banking fees, visa fees, airport transfer fees etc. You must pay the Full Price with a payment card or by another online payment method offered on Our Website by entering the required data in the relevant online form on our Website. Until We receive the payment of the Full Price from You and confirm You its acceptance, We are not obliged to commence the provision of any Service(s).

Article 4. Kiwi.com Guarantee and Additional Services – Delays and Cancellations

In order to bring You the best service possible We offer You an exclusive and unique Flight change, delay and cancellation policy, called the [Kiwi.com](#) Guarantee (or Assistant Services) as described hereunder (hereinafter referred as

“[Kiwi.com Guarantee](#)”).

The aim and scope of Our [Kiwi.com Guarantee](#) service program is to make Your journey as smooth and comfortable as possible. For this purpose, we ensure You that in situations when Your Flight(s) is rescheduled, delayed or cancelled, we shall upon activation of [Kiwi.com Guarantee](#), offer You a reasonable alternative Flight(s) or other means of transportation to Your Destination, or a refund of the price You paid for all the unused Flight(s). By the virtue of the terms and conditions stated herein We provide You a guaranteed solution to the situation(s) stated above, which may negatively impact Your journey to Your Destination, under the conditions stipulated herein.

However please note that the [Kiwi.com Guarantee](#) may only apply in cases when Your Flight(s) is rescheduled, delayed or cancelled due to factors which can occur in the standard course of air transportation. As such the [Kiwi.com Guarantee](#) can be applied limitedly in situations of impact of force majeure (see Art. 5.3). Furthermore the [Kiwi.com Guarantee](#) cannot be applied to cases where You make any changes to the Flight schedule(s) without Our previous approval or through Our customer service department.

4.1 [Kiwi.com Guarantee](#). In particular, the scope of the [Kiwi.com Guarantee](#) is split into two categories, based on severity:

Scenario A (More than 48 hours to departure)

More than 48 hours to departure – [Kiwi.com Guarantee](#) stipulated in this Art. 4.1 a) applies only to a change or cancellation of Flight(s) announced more than 48 hours prior to departure of the first concerned Flight, which may negatively impact Your ability to reach Your Destination or Your arrival to a Destination shall be postponed for more than 24 hours after the original scheduled arrival, i.e. due to Flight change(s) or cancellation(s) You would either miss Your Flight Connection(s) or Your Flight(s) would be cancelled (hereinafter referred as “**Scenario A**”).

In this case, You learn about a change or cancellation of Your Flight(s) under Scenario A You must inform Us of such a change or cancellation without undue delay either by telephone, e-mail or via the online chat available on Our Website. Should You fail to inform Us about such Flight change(s) or cancellation(s) without undue delay, You will not be entitled to the [Kiwi.com Guarantee](#). In case, We are informed first about the change or cancellation of Your Flight(s) according to Scenario A, We will contact You within a reasonable time after We learn about such Flight change(s) or cancellation(s).

After We are informed about the Flight change(s) or cancellation(s) according to Scenario A, We will offer You one of the following solutions solely at Our discretion:

- i. We will search for an alternative transportation to Your Destination. Should We find a reasonable alternative We will offer You an alternative Flight(s) or other means of transportation to Your Destination entirely at Our expense. In case We are unable to buy the offered alternative Flight(s) or other means of transportation for You online, You can buy the respective ticket(s) for the alternative transportation, as agreed upon by both Us and You, at the airport and We will refund You the price of such ticket(s) under the conditions in Art 5. hereof. Please note that any extra services or further upgrades to the agreed upon alternative ticket(s) will not be covered by Us.
- ii. We will offer You a refund of the price You paid for all the unused Flights en route to Your Destination under the conditions specified in Art. 5 hereof. This solution is most likely to be offered in case we are unable to offer You a reasonable alternative transportation.

You are obliged to reply to Us promptly after receiving Our information about the offered solution(s), but in all cases at the latest within 24 hours since Our first notice regarding the solution(s) is considered as delivered to You in accordance with Art. 4.3 hereof, or within any shorter reasonable time before the time of the scheduled departure of the first following Flight. After the lapse of this 24 hour, or any shorter term for replies this offer is null and void, thus You will not be entitled to the [Kiwi.com Guarantee](#) subsequently in this matter.

Scenario B (Less than 48 hours to departure)

Less than 48 hours to departure - The [Kiwicom](#) Guarantee stipulated in this Art. 4.1 b) applies only to a Flight Delay(s) or cancellation(s) of Flight(s) announced less than 48 hours prior to departure of the first concerned Flight, which may negatively impact Your ability to reach Your Destination or Your arrival to the Destination shall be postponed for more than 24 hours after the original scheduled arrival, i.e. due to the Flight Delay(s) or cancellation(s) You would either miss Your Flight(s) Connection(s) or Your Flight(s) would be cancelled (hereinafter referred as “**Scenario B**”).

In this case, if You learn about a Flight Delay(s) or cancellation(s) of Your Flight under Scenario B, You are obliged to inform Us of such Flight Delay(s) or cancellation(s) without undue delay either by telephone or via the online chat available on Our Website. Should You fail to inform Us about such Flight Delay(s) or cancellation(s) without undue delay, You will not be entitled to the [Kiwicom](#) Guarantee. In case, We are informed first about the Flight Delay(s) or cancellation(s) of Your Flight under Scenario B, We will contact You within a reasonable time after We learn about it.

After We are informed about the Flight Delay(s) or cancellation(s) under Scenario B, You may choose one of the following solutions at Your discretion:

- i. We will search for an alternative transportation to Your Destination and should We find a reasonable alternative We will offer You an alternative Flight(s) or other means of transportation to Your Destination entirely at Our expense. In case We are unable to buy the offered alternative Flight(s) or other means of transportation for You online, You can buy the respective ticket(s) for the alternative transportation, as agreed upon by both Us and You, at the airport and We will refund You the price of such ticket(s) under the conditions in Art 5. hereof. In case We are unable to find a reasonable alternative Flight(s) or other means of transportation due to a disproportionate price difference between the potential alternative transportation and the original price for the unused Flights, we may agree with You on Our proportional contribution to the costs associated with a mutually agreed alternative transportation. This option will be determined and agreed to on a case by case basis. Please note that any extra services or upgrades to the agreed upon alternative ticket(s) will not be covered by Us. In the exceptional cases when Your Flight(s) is cancelled or You miss the Flight Connection(s) due to the Flight Delay and You are not able to contact Us in this matter, You may purchase the ticket(s) for the alternative transportation without prior agreement between You and Us and We will refund You the price of such ticket(s) for alternative transportation up to twice the original price of the unused Flight(s) en route to Your Destination. Please note that You are entitled to this refund under the conditions in Art. 5 hereof, only after You provide Us with sufficient written proof of Your purchase of the ticket(s) for the alternative transportation to Your Destination together with the proof of the original Flight Delay or cancellation of Your original Flight.
- ii. We will refund You the price You paid for all the unused Flights en route to Your Destination under the conditions specified in Art. 5 hereof. You should choose this solution in case we are unable to offer You a reasonable alternative transportation.

You are obliged to reply to Us about Your choice promptly after receiving Our information about the offered solution, but in all cases at the latest within 24 hours since Our notice is considered as delivered to You in accordance with Art. 4.3 hereof, or within any shorter reasonable time before the time of the scheduled departure of the first following Flight. After the lapse of this 24 hours or any shorter term for replies the offer expires and You are not entitled to the [Kiwicom](#) Guarantee anymore in this matter.

4.2 Multi-destination routes. Should there be a Flight Delay, change or cancellation of the Flight(s) that will impact all of Your Flights on one section of Your journey, We will try to find an alternative route to Your interim Destination. Should this not be possible, and You cannot begin Your journey and have not taken any of the booked Flights within Your route, then a refund for all Flights on that segment of the journey can be applied, in accordance with Art. 5 hereof.

- 4.3 Communication and notices. In the absence of evidence of earlier receipt, any of Our notices or other communication sent or otherwise communicated to You is deemed given on the date and time of transmission of the notice with confirmation of uninterrupted transmission, if the notice is delivered using a method of distant communication, or on the day and time on which the return confirmation was wrongfully refused, but in no case later than after the lapse of 24 hours after the notice is sent by Us using e-mail, telephone text message (SMS) or any other method of distant communication to the email address or telephone number or other communication channel that You stated within the Booking or otherwise earlier communicated to Us. For avoidance of doubts, please note that any of Our notices are deemed given and delivered to You after the lapse of 24 hours of sending Our first notice regarding the matter to Your email, cell phone or other communication channel. In case You do not reply to Us in reaction to such a notice in accordance with the Art. 4.1 a) and/or 4.1 b) hereof be aware that Your claim to the [Kiwi.com](https://www.kiwi.com) Guarantee is no longer valid.
- 4.4 Our Additional Services. The services specified below in Art. 4.4.1, 4.4.2 and 4.4.3 hereof may apply when Scenario B stipulated in Art. 4.1 letter b) hereof occurs within Our [Kiwi.com](https://www.kiwi.com) Guarantee. These services can be activated by Our customer service department when You contact them due to a Flight Delay or cancellation and You have no legitimate claim for the provision of these additional services as any of these services are solely at Our discretion and need to be pre-agreed once You contact Our customer services department. Please note that in the case of activation of these additional services You will need to cover the expenses for utilization of these additional services and provide Us with a receipt(s) proving Your expenses. We will refund Your costs on the basis of such receipts up to the amount specified below
- 4.5 Overnight Accommodation - This option may become available to You if Your Flight has been delayed or cancelled at short notice leaving You stranded at the airport for the night and Your alternative Flight connects after midnight (12pm) and You would need to stay at the airport for more than 8 hours. Accommodation vouchers can also be granted if You have accepted a change offered by Us for a flight departing the next day. It may be possible to book a hotel room and claim for total reimbursement of up to 50€ per passenger, regardless of the number of nights.
- 4.6 Alternative Transport – Should We be unable to book You a Flight Connection because a) all reasonable Flight(s) are sold out and/or b) no such journey exists for the day in question, We may look at other airports in the area for alternative Flight options. Should this occur, and under the condition that all costs are pre-agreed through Our customer services department, We may contribute towards Your cost of the chosen method of transportation for the transfer between airports. This may include: train, coach or taxi and will include all passengers booked on Your itinerary through Us. The maximum limit for this alternative transport will be 100€; inclusive of all passengers.
- 4.7 Meal & Beverage Compensation - Should Your Flight Connection be delayed by more than 4 hours, We are willing to cover the cost of refreshments up to a total of €10 per passenger booked on Your itinerary through Us.
