2. **Service Description.** Our Services shall consist of

1. brokerage of a contract of carriage (and for the provision of the related services) between You and the Selected Carrier;

2. delivery of the air tickets for the selected flight operated by the Selected Carrier to You in accordance with Art 4.9; and

3. provision of the Assistant Services covered in Art 4.10.

3. **Contract Brokering.** We are primarily responsible to broker a contract of carriage and for the provision of the related services between You and a Selected Carrier. The content of any such contract of carriage will be determined by Your selection of the Destination and other flight attributes on Our Website and the Selected Carrier's conditions of carriage. A brokered contract of carriage can be for carriage of more than one person and/or person(s) other than Yourself; however, the contract of carriage and for the provision of the related services is always concluded between You (as the person making a Booking) and the Selected Carrier. The price for the carriage services brokered by Us is included in the Full Price for our Services (Art 4.5) and does not cover any extra services provided by the Selected Carrier during the carriage (such as priority check-in, buy on board

food and beverages etc.). We must broker the contract of carriage for You without unreasonable delay after payment of the Full Price by You; we broker contracts of carriage within 30 minutes on the average.

4. **Power of Attorney.** If the Services, or any Service, may only be provided to You on the basis of a power of attorney, You, by entering into the Service Agreement with Us, appoint Us as Your attorney-in-fact and grant us such powers to represent You as are necessary for the provision of all Services by Us.

5. **Full Price.** The Full Price for the provision of Our Services with respect to a Flight and a Selected Carrier is displayed on Our Website and it includes the base fare(s) to the Destination and Our fee for brokering the contract of carriage between You and the Selected Carrier and the provision of the related Services. The Full Price displayed on Our Website is the final price for the air ticket, including the airport charges and VAT; however, it does not include other fees, charges or payments for services related to Your carriage and provided by third parties, such as tourist taxes, other fees or surcharges applied by any Selected Carrier in addition to the base fare or any related banking fees.

6. **Brokerage Fee.** Our claim to the brokerage fee arises when We broker the contract of carriage with a Selected Carrier for You. If, however, We fail to broker a contract of carriage between You and the Selected Carrier within 48 hours after You pay the Full Price, or by the time that Your first Booked Flight becomes unavailable, provided that the time remaining to the planned departure of such Flight is less than 48 hours, You may withdraw the Service Agreement (see more under Art 6.2).

7. **Payment of Full Price and Commencement of Service Provision.** You will see the Full Price on Our Website before sending Us the online order form. Until We receive the payment of the Full Price from You, We are not obliged to commence the provision of any Service.

8. **Fraudulent Transaction Protection.** To ensure high standard of Our Services and to protect against fraudulent transactions, We reserve the right to perform random checks (verification) of payment cards. For this reason, We may request Your cooperation necessary to verify the identity of the card holder. Until successful verification, Our obligation of immediate commencement of the provision of Our Services is suspended. The time that it will take to verify a payment card is not included in the period within which We undertake to broker a contract of carriage for You in accordance with Art 4.3.

9. **Air Ticket Delivery.** We will deliver Your air tickets purchased from the Selected Carrier in Your email box at the email address that You entered in the online order form on Our Website. It is necessary that You enter Your email address in unabbreviated and correct form. We are not liable for faulty delivery or non-delivery of Your air tickets if caused by circumstances on Your part such as entering a wrong email address or Your email settings. You must notify us of any changes in Your contact information that may affect Our ability to deliver the ordered air tickets to You. Please be reminded that We do not deliver air tickets in paper form; please print them out and take them with You to the airport.

10. **Assistant Services.** Our Services include also the following Assistant Services:

1. Less than 24 hours flight change. If the planned departure of Your Flight changes less than 24 hours prior to departure and, consequently, You will have less than 2 hours to change planes on a Connecting Flight, We will either arrange another Flight (other Flights) to Your Destination or refund you the price you paid for all the unused Flights en route to Your Destination, at Our discretion.

2. More than 24 hours flight change. If the planned departure of Your Flight changes by more than 24 hours prior to departure, We will either arrange another Flight (other Flights) to Your Destination or refund you the price you paid for all the unused Flights en route to Your Destination, at Your discretion.

3. Flight delay. If you miss a Connecting Flight due to a Flight delay, You must inform Us of such delay as soon as You learn about it, either by telephone, [via Contact us form](#), or via the online chat on Our Website. In such an event, We will offer You an alternate Flight (Flights) to Your Destination entirely at Our expense. If We are unable to buy the offered alternate Flight (Flights) for You online, You can buy the ticket(s) at the airport and We will refund You the price of such ticket(s) under the conditions set forth in Art 4.10.6 below. If We are unable to offer you any alternate Flights, We will refund you the price you paid for all the unused Flights en route to Your Destination under the conditions specified in under the conditions set forth in Art 4.10.6.d below.

4. Cancellation If You find out about a Flight cancellation directly at the Airport or prior departure and you were not informed by Skypicker in advance, You must inform Us about such cancellation immediately, either by telephone or via the online chat on Our Website. In such an event, We will offer You an alternate Flight (Flights) to Your Destination entirely at Our expense or a refund of the price you paid for all the unused Flights en route to Your Destination, at Your discretion. If You chose an alternate Flight and We are unable to buy the offered alternate Flight (Flights) online, You can buy the ticket(s) at the airport and We will refund You the price of such ticket(s) under the conditions set forth in Art 4.10.6 below.

5. Cancellation announced by Skypicker in advance. Skypicker informs you about cancellation in advance and offers you solutions to your situation. You are obligated to choose one of the options and reply Skypicker within 48 hours from receiving email from Skypicker.com. We will either arrange another Flight (other Flights) to Your Destination or refund you the price you paid for all the unused Flights en route to Your Destination, at Our discretion. If we will not receive your reply within 48 hours, your claim for Skypicker guarantee is not valid anymore.

6. **Air Ticket Price Refund Conditions.** We guarantee to refund You the price of airline tickets to Your Destination that You buy in accordance with Art 4.10.3 and/or Art 4.10.4 above subject to meeting the following conditions:

1. the purchased flight must be a flight offered to You by Skypicker (via Our Assistant Services);
2. We must receive your request for refund within 14 days after the date when You were supposed to arrive at Your Destination according to the original Flight schedule;

3. along with the request for refund, You must submit to Us an unequivocal and intelligible copy of the receipt of payment for the alternate flight and the airline ticket for the alternate flight and at least one of these documents must contain intelligible flight data (especially the date and time of the flight and the place of departure and arrival), price information and the customer's name;

4. We will only refund you the price of the airline ticket(s) You purchased for the alternate flight(s) up to the double of the sum You paid for the unused Flights en route to Your Destination, within the economy class.

7. **Assistant Services Guarantee – Exceptions.** If, after You enter into the Service Agreement with Us, You make any changes to the schedule of the purchased Flight other than through Us, Our guarantee of the Assistant Services described in this Article 4.10 will automatically expire and You shall have no claim to performance by Us of any of the Assistant Services. This provision does not preclude You from buying alternate flight(s) in accordance with Art 4.10.3 and/or Art 4.10.4 – if You do so in compliance with these Terms & Conditions, Our guarantee of the Assistant Services will remain valid and claimable. Our guarantee of the Assistant Services described in this Article 4.10 does not apply to connecting flights identified by one PNR ID code. Airlines servicing these connecting flights are fully responsible for all possible issues connected with them. In these cases please contact directly airlines servicing these flights. These specific flights are highlighted in booking order and in confirmation email.

5. **Information for Customers**

1. **Conditions of Carriage.** You acknowledge that a Selected Carrier's conditions of carriage will apply to Your contractual relationship with the Selected Carrier and that You must make Yourself aware of such conditions of carriage before the contract of carriage between You and the Selected Carrier is concluded.

2. **Flight Changes and Cancellations.** The issues of changes or cancellations of a purchased Flight, or any other actions affecting a purchased Flight, must be handled through Our Customer Support at the Customer Support Contacts given on Our Website. Non-compliance may lead to forfeiture of your claim to the provision of the Assistant Services (see Art 4.10.7).

3. **Extra Charges.** A Selected Carrier may apply extra charges for accessory services such as preferred seating, refreshments or entertainment. These services are optional, unrelated to Our Services, the charges for them are not included in the Full Price that You pay Us and You have to deal directly with the Selected Carrier as far as any such fees or charges are concerned.

4. **Other Costs.** As the direct provision of the carriage service is not part of Our Services, the Full Price does not include – besides the base fare(s) to Your Destination (plus the airport charges and VAT) – other costs that You may incur during carriage to Your Destination (such as airport transfer fees, visa fees, fees and charges for extra services etc.).

5. **Connecting Flights Arrangement.** In some cases of Connecting Flights, or carriage to Your Destination and back, the carriage to Your Destination is arranged so that You receive the relevant one-way ticket (or tickets) for each part of Your route, i.e. each flight en route to Your Destination (or back from Your Destination). If

this is the case, please be aware that

1. each flight may be subject to different rules, especially if operated by a different Selected Carrier;
2. if You wish to change or cancel any particular flight, You can use the other remaining flights without additional fees;
3. when changing planes, You need to pick up Your luggage and have it checked in for the next flight as You do not use a transfer/transit flight but a separate one-way flight, sometimes operated by a different Selected Carrier.

6. **Visas.** We are under no obligation to advise You to obtain visas or assist you in obtaining visas or obtain for you visas to the destinations that You will visit en route to Your Destination. But We do generally advise You that some of the destinations may require visa from You and it is Your responsibility to obtain the required visas early enough and at Your own expense.

6. **Discharge / Extinguishment of Obligations**

1. **Discharge by Performance.** Your and Our obligations under the Service Agreement will be discharged, and the Service Agreement performed, when You pay the Full Price in accordance with Art 4.5 and We provide the Services to You.

2. **Extinguishment by Default.** If We fail to broker the contract of carriage for You in accordance with Art 4.3 within 48 hours after You pay the Full Price, We will contact You. We will try to offer You an alternative solution, or You may withdraw from the Service Agreement with Us. If You withdraw, You will be entitled to a refund of the Full Price in accordance with Art 7.1. If we agree on an alternate flight or another combination of flights to Your Destination, the chargeable Full Price may change. You and We will settle the difference between the original Full Price and the new Full Price.

7. **Full Price Refund.**

1. If You are, under these Terms & Conditions, entitled to receive a refund of the Full Price that You paid Us, the paid Full Price will be refunded to the payment card account that You used to pay Us the Full Price; if it is not possible, the refund will be provided by a method mutually agreed between us within 14 days after the date that Your claim to the refund of the Full Price arises.

8. **Other Provisions**

1. **Complete Information.** You must provide Us with complete and true information and data necessary for Our provision of the Services to You (especially the information and data necessary for the conclusion of a contract of carriage with a Selected Carrier, for billing and air tickets delivery etc.).

2. **Intellectual Property.** The Service Agreement entered into between You and Us does not in any way authorize or license You to use Our Intellectual Property such as copyrighted works, databases, trademarks or other protected marks or designs.

Neither are We liable for any damage, harm or loss arising out of Your actions or omissions that are contrary to these Terms & Conditions or any damage, harm or loss caused by force majeure.

4. **Governing Law.** The Service Agreement entered into between You and Us and any legal relations established under it or derived from it, including issues of its formation and validity, shall be governed by the laws of the Czech Republic to the

exclusion of any rules on conflict of laws. The Czech courts shall have jurisdiction over all disputes arising between the parties.

5. **Severability.** If any of the provisions of a Service Agreement entered into between You and Us is found to be invalid or ineffective, the other remaining provisions shall remain fully valid and effective to the extent that they are not depended on such an invalid or ineffective provision. In such an event, any invalid or ineffective provision shall be replaced with a new, valid and effective one which corresponds to the intent and purpose of the provision that it replaces.

6. **Incorporations by Reference.** Our Data Protection Policy, which was made available to You before concluding the Service Agreement with Us via Our Website, is incorporated in these Terms & Conditions by reference.

7. **Amendments.** We may amend these Terms & Conditions from time to time. The Terms & Conditions valid and effective at the time when You send Us a completed online order form via Our Website shall apply to the respective Service Agreement. Please be advised that these Terms & Conditions may change by the time that You next choose to use Our Services and You should read them carefully before every single order of Our Services.

8. **Applicability.** These Terms & Conditions shall apply to all Service Agreements concluded as of 9. Juni 2015.
