## Virtual Work Experience - Nursing Careers

Live interactive panel discussion with a range of  
nursing professionals

- Aimed at students who are considering a career in nursing
- Understand the day to day duties and role of a health care professional in a nursing setting
- Know the roles available: Apprentice, Health Care Assistant, Trainee Nurse Associate, Registered Nurse
- Explore the different routes and options available to achieving this career
- Live Q&A session – opportunity for students to ask questions

The apprenticeship team will also be in attendance to answer any questions relating to the apprenticeship pathway.

The live session will be delivered to schools via Microsoft Teams.

Upcoming sessions: **Mental Health, Midwifery, Allied Health Professionals (physiotherapists, Occupational Therapists, Speech and Language Therapists, Dieticians etc)** and non-clinical careers such as **Finance, IT, Education and Business Administration**. Virtual sessions will take place once a month between February and May 2021. Full schedule coming shortly.
