

Dear parents and carers,

I do hope you have managed to enjoy this half term with your children. I just wanted to give you an update on the wider reopening of our school.

The Government announcement which stated schools will reopen to pupils in Nursery, Reception , Y1 and Y6 applied to primary schools. As an Infant and Nursery School we are a little different.

Due to capacity issues and the need to maintain social distancing our school will only be able to reopen to small numbers of nursery and reception pupils initially. Provision for those pupils in key worker and other categories that has been in place since March will continue. If your child is currently in either nursery or reception and you would like a place when school reopens could I urge you to book a place if you have not already done so.

I understand that those of you with pupils in Y1 and Y2 will be concerned about when and how your children will be able to return to school. I continue to work with my staff team and the local authority about how best we can approach this when it is safe to do so. Please continue to support your child with their distance learning and do not hesitate to contact us if there is anything you need. I will continue to keep you updated via my school app and the website.

take care
kind regards
Andrea Willis
