

Dear Parents and carers

At a special meeting of our Governing board yesterday the governors discussed the opening of our school to wider groups of pupils. Whilst the board recognises the significant measures the school are putting in place to ensure the health and safety of the whole school community there were some areas which needed greater clarity.

The board have therefore reconvened to meet again on Tuesday 16th June to ensure that they have answers around the questions raised. We will contact you again following this meeting to give you more information on our opening plans moving forward.

We understand that this is a very stressful and worrying time for parents. We hope you appreciate that this delay in the wider reopening of our school is to ensure that when we do open to increasing numbers of pupils we do so in the safest possible way.

Thank you

B Foster
