

Dear Parents/Carers

I do hope as we move ever closer to the end of what would have been our Summer term together that you all remain well.

I just wanted to give you an update around the provision for key workers and those pupils in identified groups and the free school meal voucher system.

### **Key Worker/ Key Category Places**

The provision that has been running in school since March will cease at the end of the Summer term. The school will close for all pupils on July 17<sup>th</sup>.

### **Free School Meal Voucher Scheme**

Families with children eligible for free school meals will receive vouchers to cover the 7 week summer holiday period. These vouchers must be issued by July 10<sup>th</sup> to ensure that you do not receive a faulty code. Can I ask that you download your voucher prior to school closing on 17<sup>th</sup> July. Failure to do this would mean if you receive a faulty code there may be no one in school to reissue your voucher.

If your circumstances have changed and you believe you are eligible for free school meals please apply by calling 0191 4277000 in order to receive a voucher for the holiday period.

Many Thanks
