

Dear Parent/Carer,

During this outbreak of coronavirus we are very mindful of the concerns around possible transmission of covid19 due to the passing of objects between households and school.

As part of our risk assessment we are making every effort to minimise items which pupils bring into school. In line with these procedures I have to ask that you do not send any cards or gifts for staff into school at the end of this summer term.

I recognise that your kind gestures are an acknowledgement of the work that staff have done across the year and if you would like to send a message of thanks from you and your child please do so by email at office@biddickhallinfants.co.uk

I appreciate your understanding during these challenging times.

Thank you

Andrea Willis
Head Teacher
