

Nursery and Reception Children

Dear Parent/Carer

We are looking forward to welcoming your child into school in September.

Due to government guidance we have had to make some changes to the way we normally do things in nursery and reception. Unfortunately the use of spare clothes, wellies and raincoats will not be available for children to use.

Can you please ensure your child brings a bag into school each day with a change of clothes and suitable wellies and raincoat to use in wet weather.

If you need any further information please contact school on 0191 4244859.

We appreciate your support with this.

Many Thanks

Mrs A Willis
Head Teacher
