

Dear Parent/Carer,

Can I firstly apologise for any confusion around children bringing bags into school. In order to ensure that we can apply the same rule across school can I ask that:

- No bags or backpacks are brought into school
- Your child brings 1 set of spare clothes in a carrier bag which will stay in school in their tray
- Plimsoles for PE can also be put in their carrier bag

On PE days children will wear their usual school footwear and change into plimsoles in school.

- Reading bags will come home each Monday

We are having to restrict items coming into school due to the Pandemic and I appreciate your support with this.

Can I also give a polite reminder that your child must bring their school water bottle into school with them each day.

Thank you

Mrs A Willis
Head Teacher
