

Dear Parent/Carer

Our school staff will continue to be involved in contact tracing for 6 days following the final day of teaching on Friday 18th December.

If your child develops Covid symptoms within 48 hours of being in school and then tests positive you must contact Mrs Willis at your earliest convenience at office@biddickhallinfants.co.uk to inform her of your positive test result.

The email inbox will be checked Saturday to Thursday between 8am and 9am.

Can I finally stress that if your child tests positive for coronavirus having developed symptoms more than 48 hours since they were last in school then Mrs Willis does not need to be contacted.

If your child is identified as having been a close contact of a positive case a member of the leadership team will contact you to ensure your child self isolates for the advised 10 day period.

Please don't hesitate to contact me if you have any further questions.

Many Thanks

Mrs A Willis
Head Teacher
