Dear Parents and Carers,

As a part of your child's education at The Winstanley School, we promote personal wellbeing and development through our SHINE Character and Culture Programme. Our programme gives students the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

From January 2021, it is a statutory requirement that all schools in England and Wales are teaching Relationship and Sex Education as a fundamental part of the curriculum.

As part of implementing the RSE curriculum, schools must consult with the children, parents, staff and governors to ensure there is a general consensus on our approaches to policy and the curriculum content.

The Winstanley School will be starting their consultation process on Friday 29th January 2021 and the consultation will close on Monday 22nd February 2021.

As part of this, parents, staff and governors, will be asked to read through the following document and make comments on it. The document that you are asked to read as part of the consultation is:

- [Consultation on RSE Policy, December 2020 \(DRAFT\)](#)

In order to provide your feedback to this consultation, we would appreciate your completion of the following questionnaire:

- [Consultation Questionnaire](#)

If you wish to carry out further reading around RSE, the following documents may be of use to you:

- [Government Guidance](#)

Should you have any questions, queries or problems please do not hesitate to email kharris@winstanleyschool.org.uk

Your sincerely

Miss K Harris
